

Council meeting May 6, 2014

Activities in 2013 New issues for 2014-2016

Report of Krister Höckerstedt
Chairman of the Board

1. Intermediary in the exchange of human organs

In 2013

- **Waiting list increased**
- **Transplantations increased**
- **Organ exchange between countries consolidated**
Kidney, Liver, Heart, Lung: 13 – 19 %
- **New activity: Organs sent from Estonia to Sctp**

2. Operate a database on organ donation and transplantation and communicate optimum info

Registration of Organ Donation and Transplantation

- Registration of patients and donors in Sctp
- Exchange of organs between the Nordic countries & Sctp
- Exchange of data between the Nordic countries and Sctp
- Function as a national registry for some Nordic countries?
- Net-based functions?

Articles

3. To maintain a dialogue with the Nordic health authorities on organ donation and transplantation

- Hard work in the Sctp office and recruitment of two new programmers have improved patient and data security, with the aim to be approved by the National Authorities**
- Definitions of SAE and AE discussed in the Nordic Transplant Committee. New suggestions in September meeting**

Articles

4. To develop European cooperation on organ donation and transplantation

Organ exchange in 1.1.2013 – 16.03.2014

35 organs imported to Sctp

- **All imported organs were from Estonia**
- **All organs were transplanted in Fi, N and Se**

8 organs were exported to EOEOs, none to Estonia

Articles

5. To promote the provision of human organs and tissue for use by the Association's members in transplantation

- How? List of activities is not presented
- Decisions made by the Council of Representatives regarding medical issues are valid when adopted unanimously

Articles
