

Renal transplants in Scandiatriplant

By donor source & transplant year, 1995 - 2014

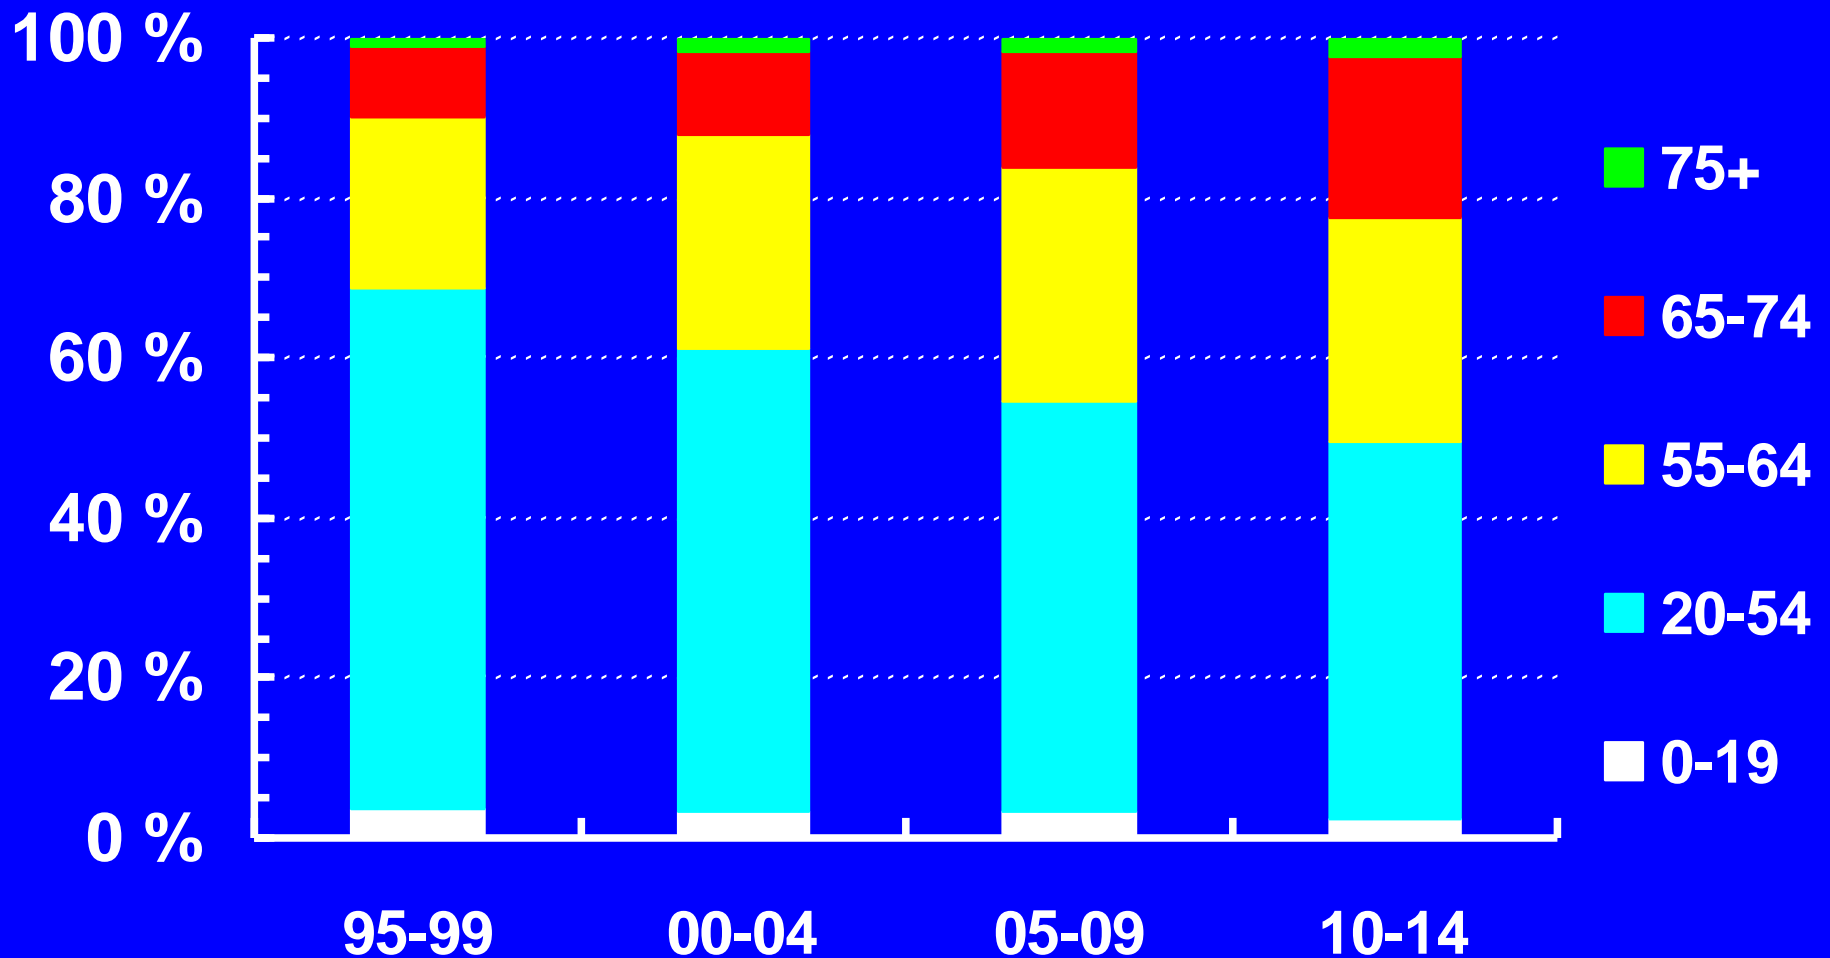

Recipient age in Scandiatransplant

By donor source & transplant year, 1995 - 2014

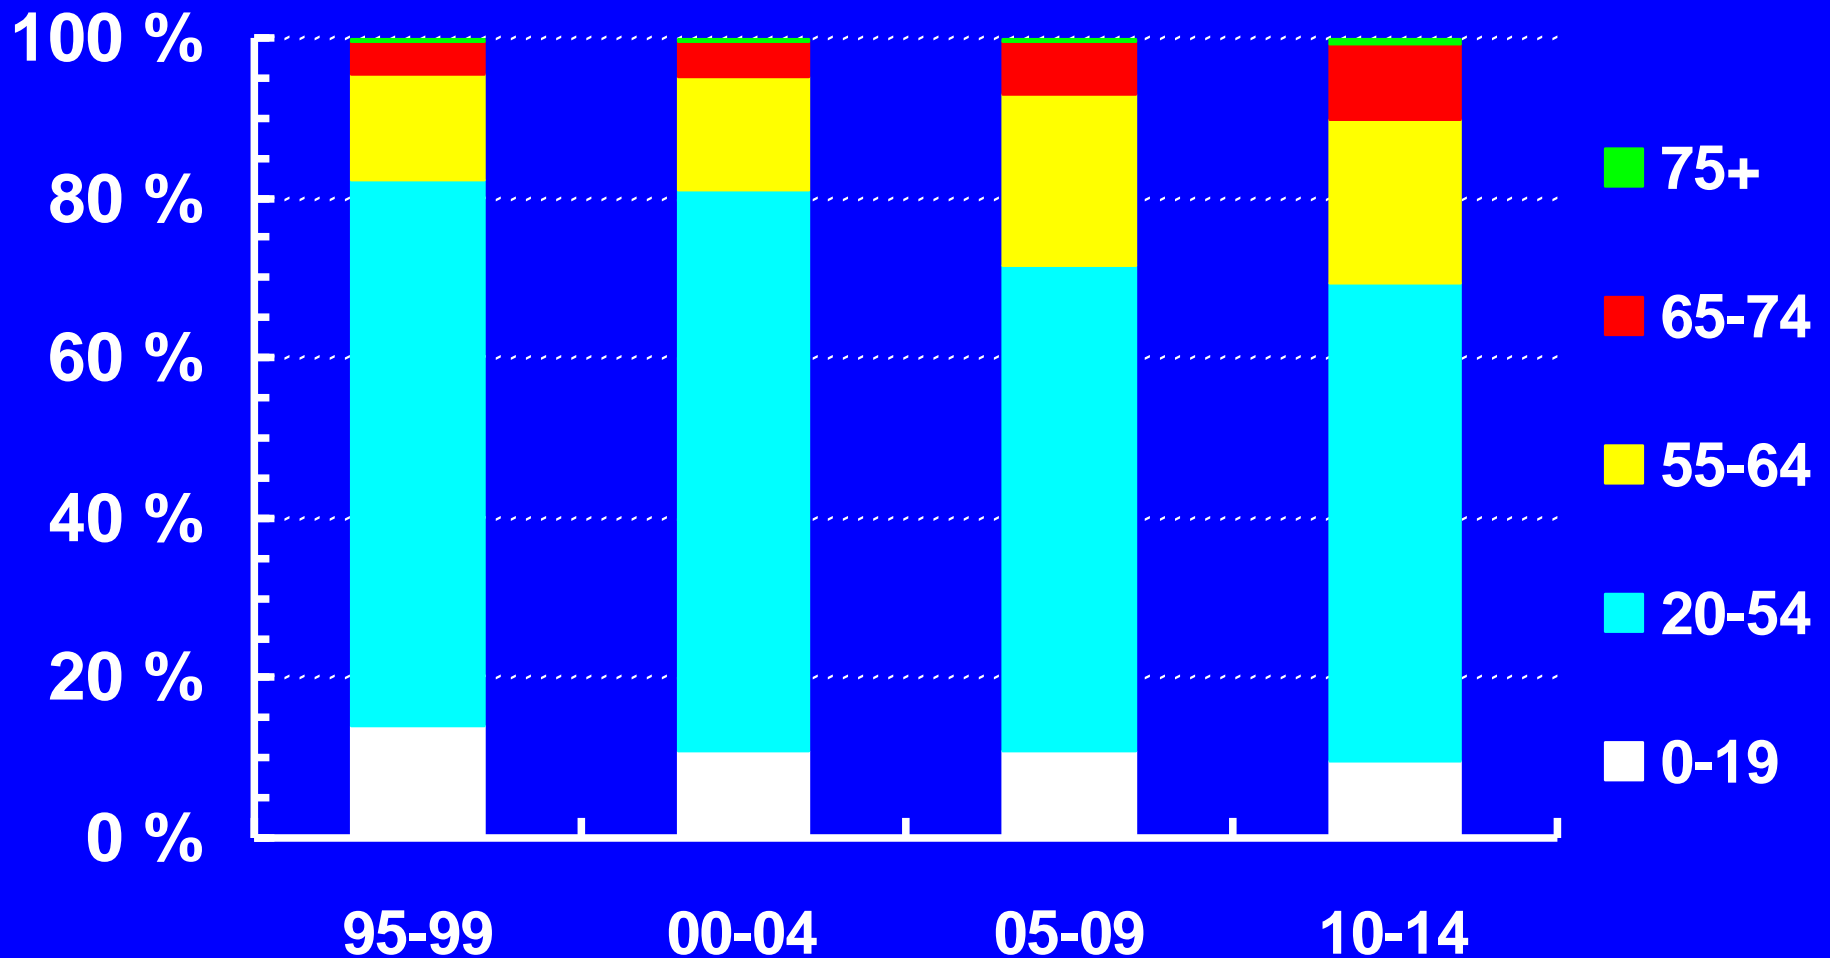

Deceased donor renal transplants

by recipient age strata. Scandiatriplant 1995-2014

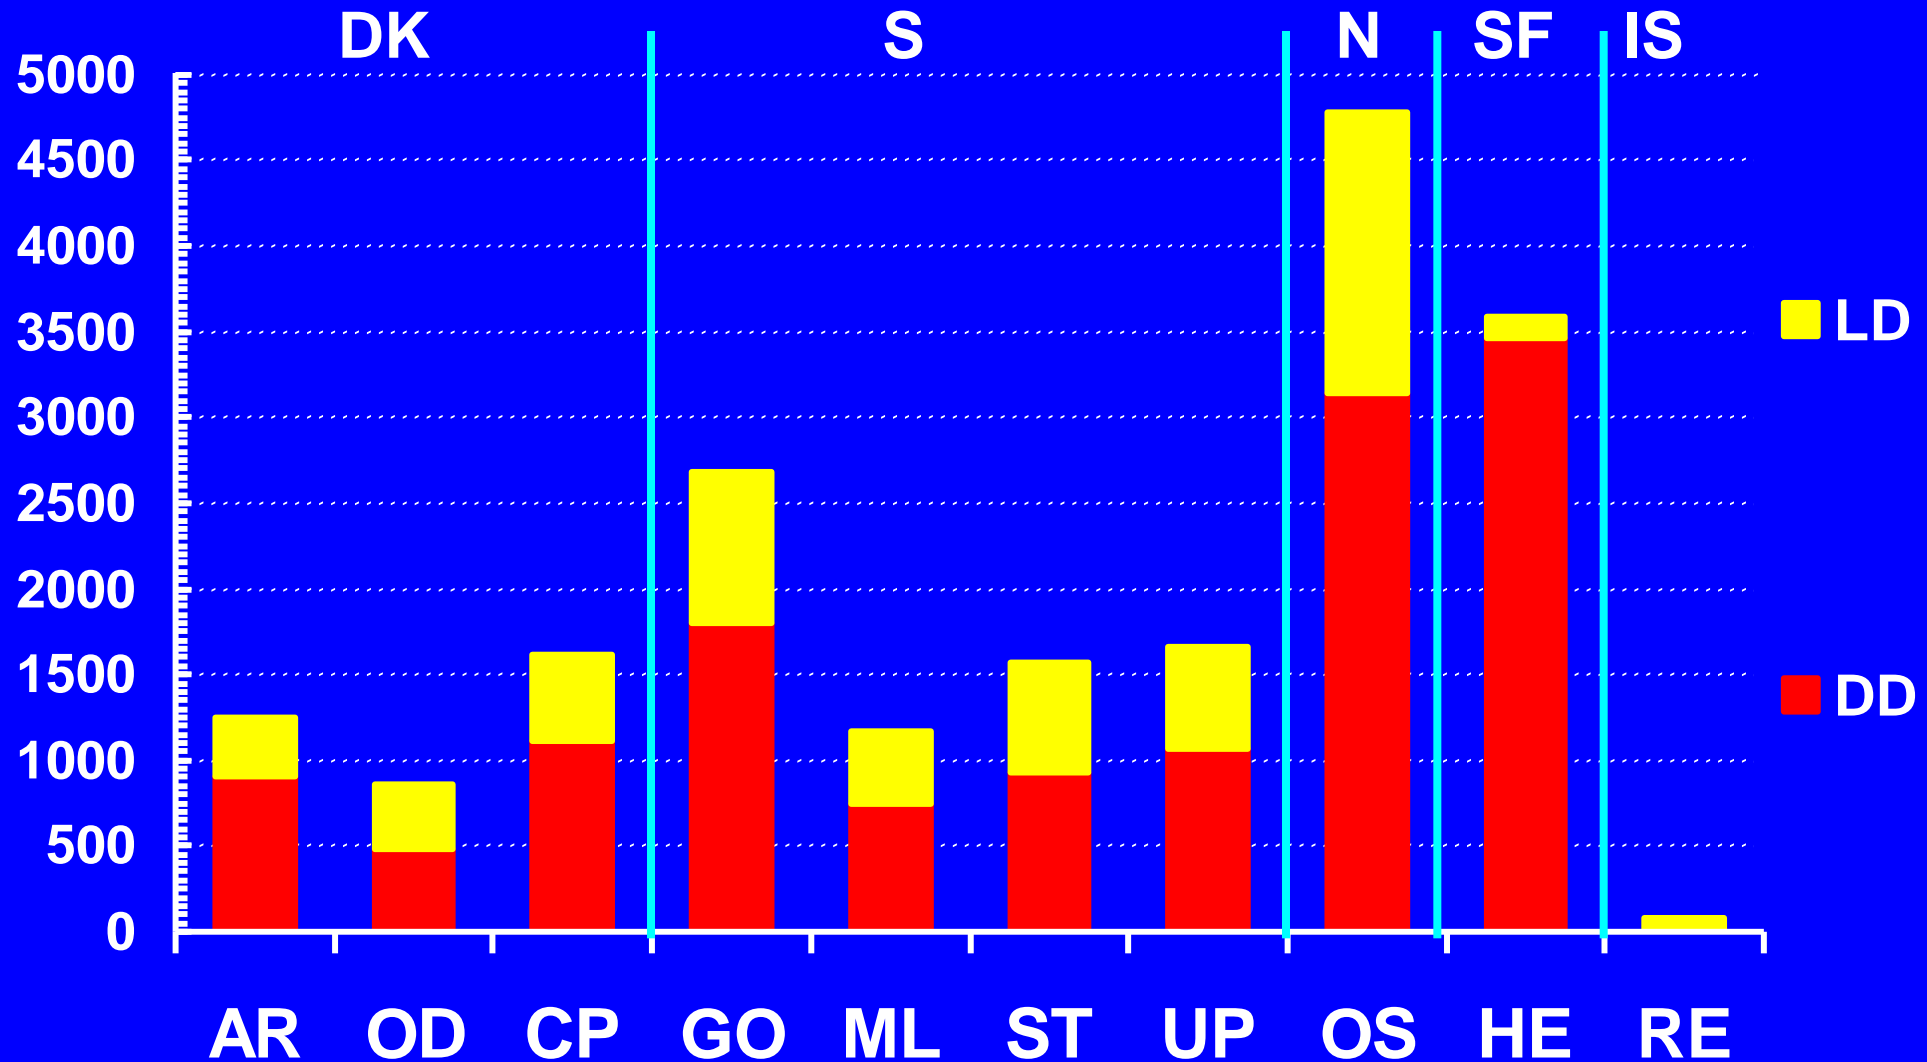

Living donor renal transplants

by recipient age strata. Scandiatriplant 1995-2014

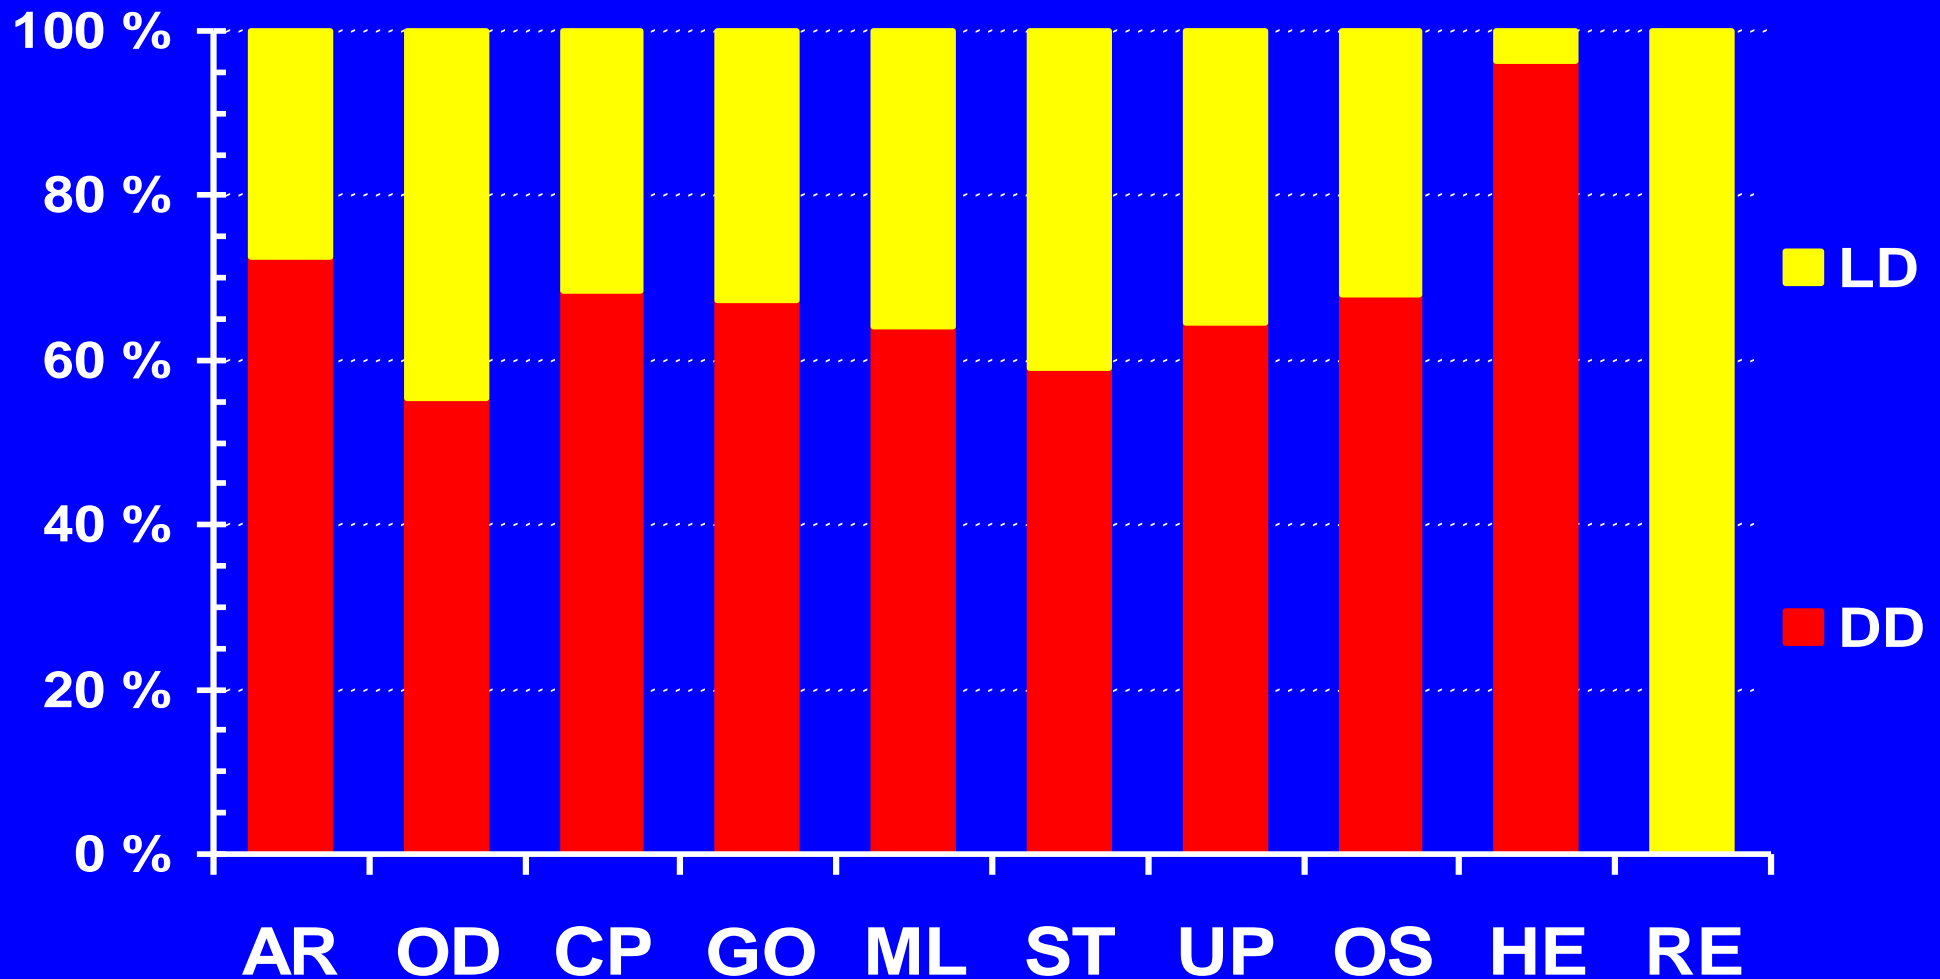

LD and DD renal transplants

By Scandiatriansplant centre, 1995 - 2014

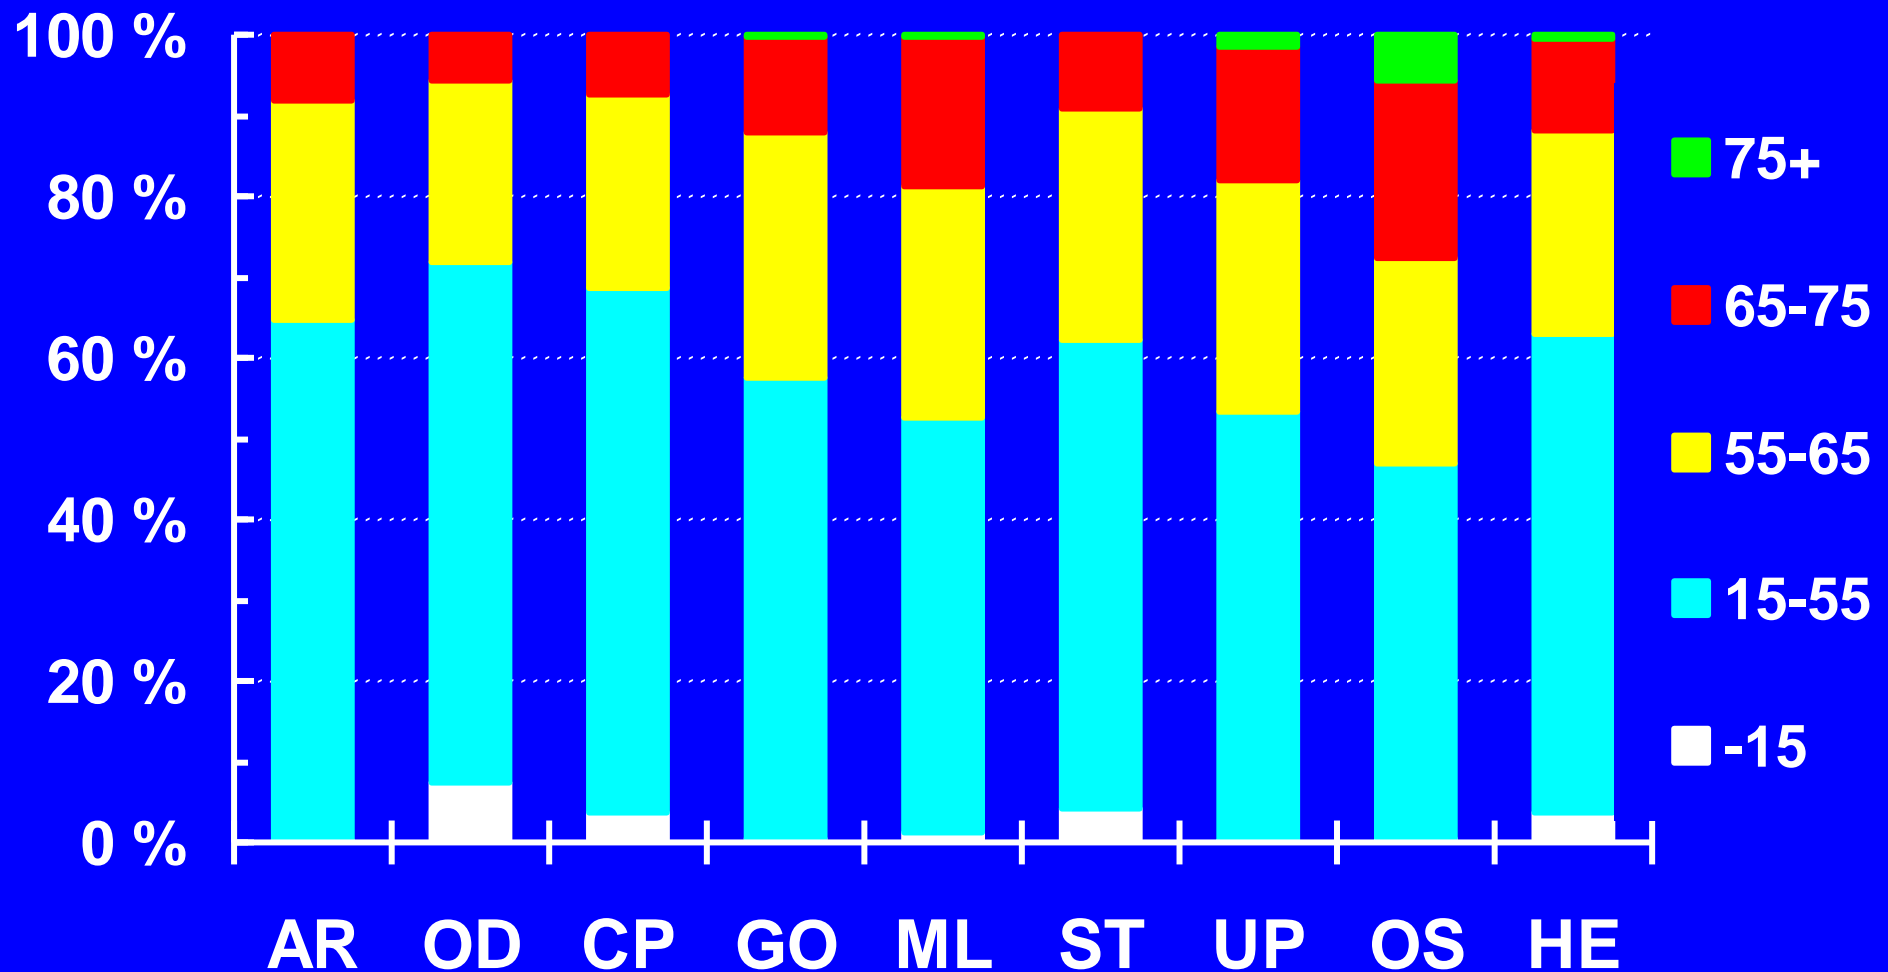

LD and DD renal transplants

By Scandiatriansplant centre, 1995 - 2014

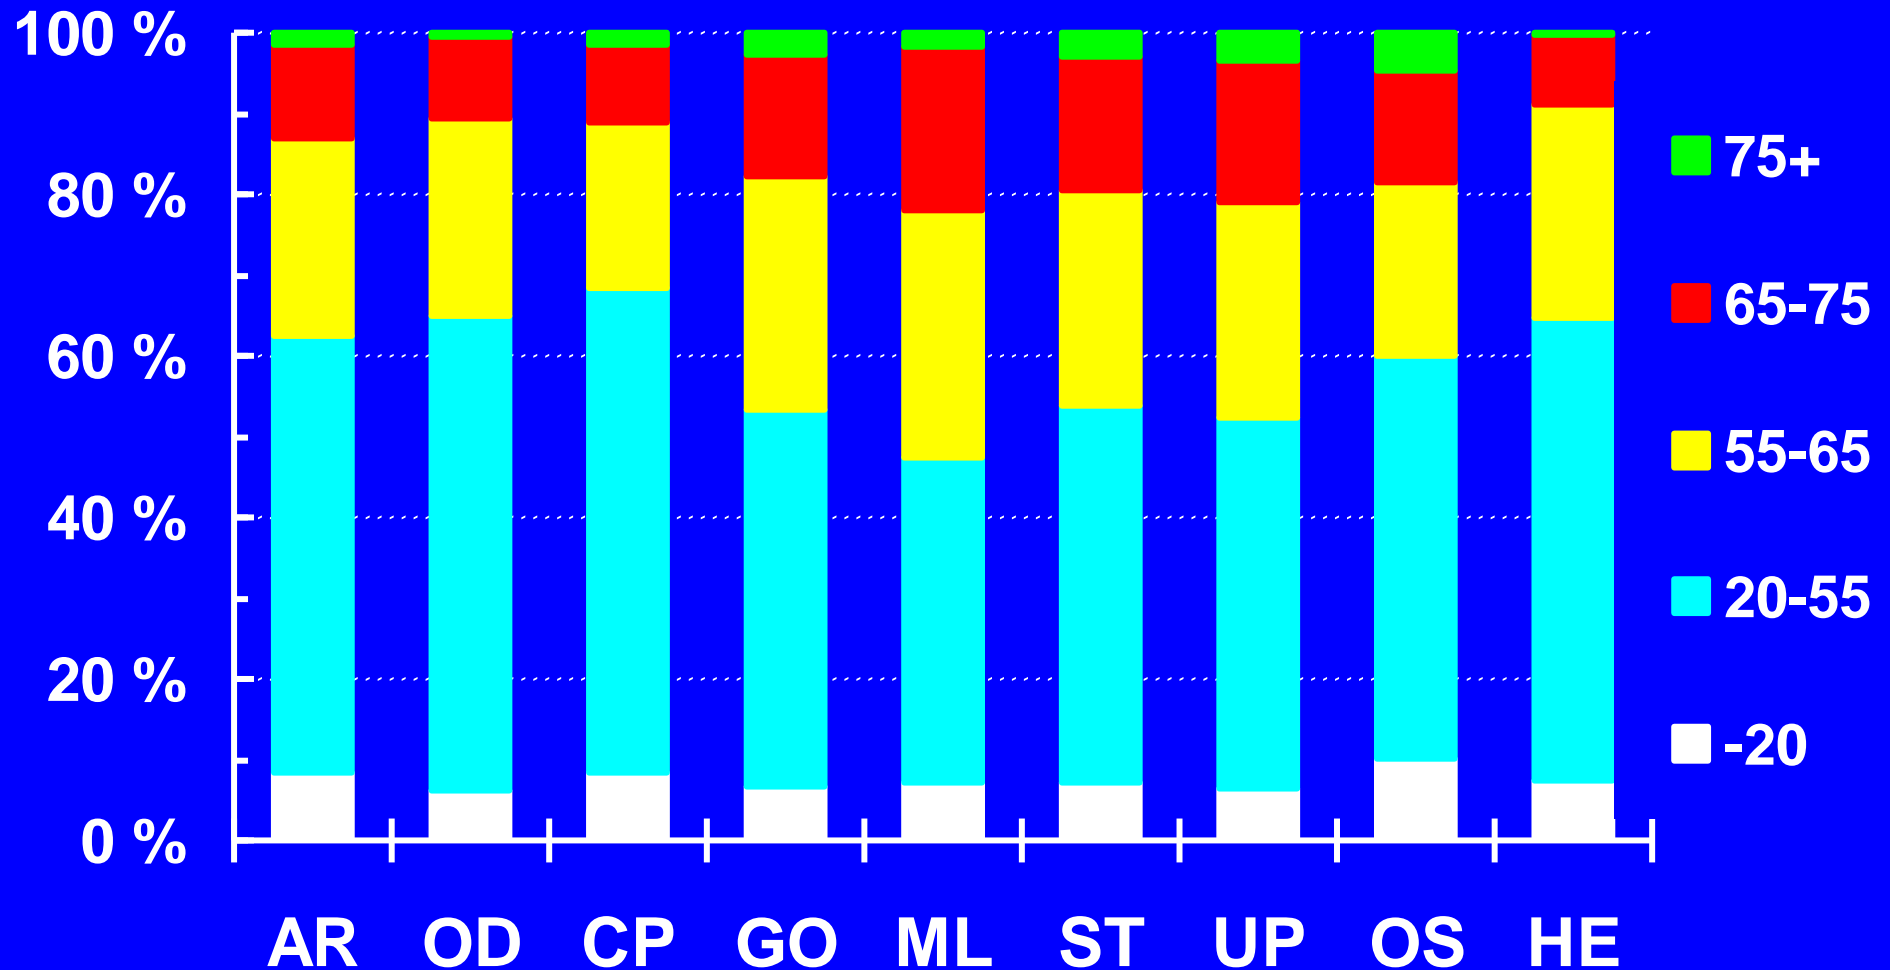

DD-graft recipient age groups

By Scandiatriansplant centre, 1995-2014

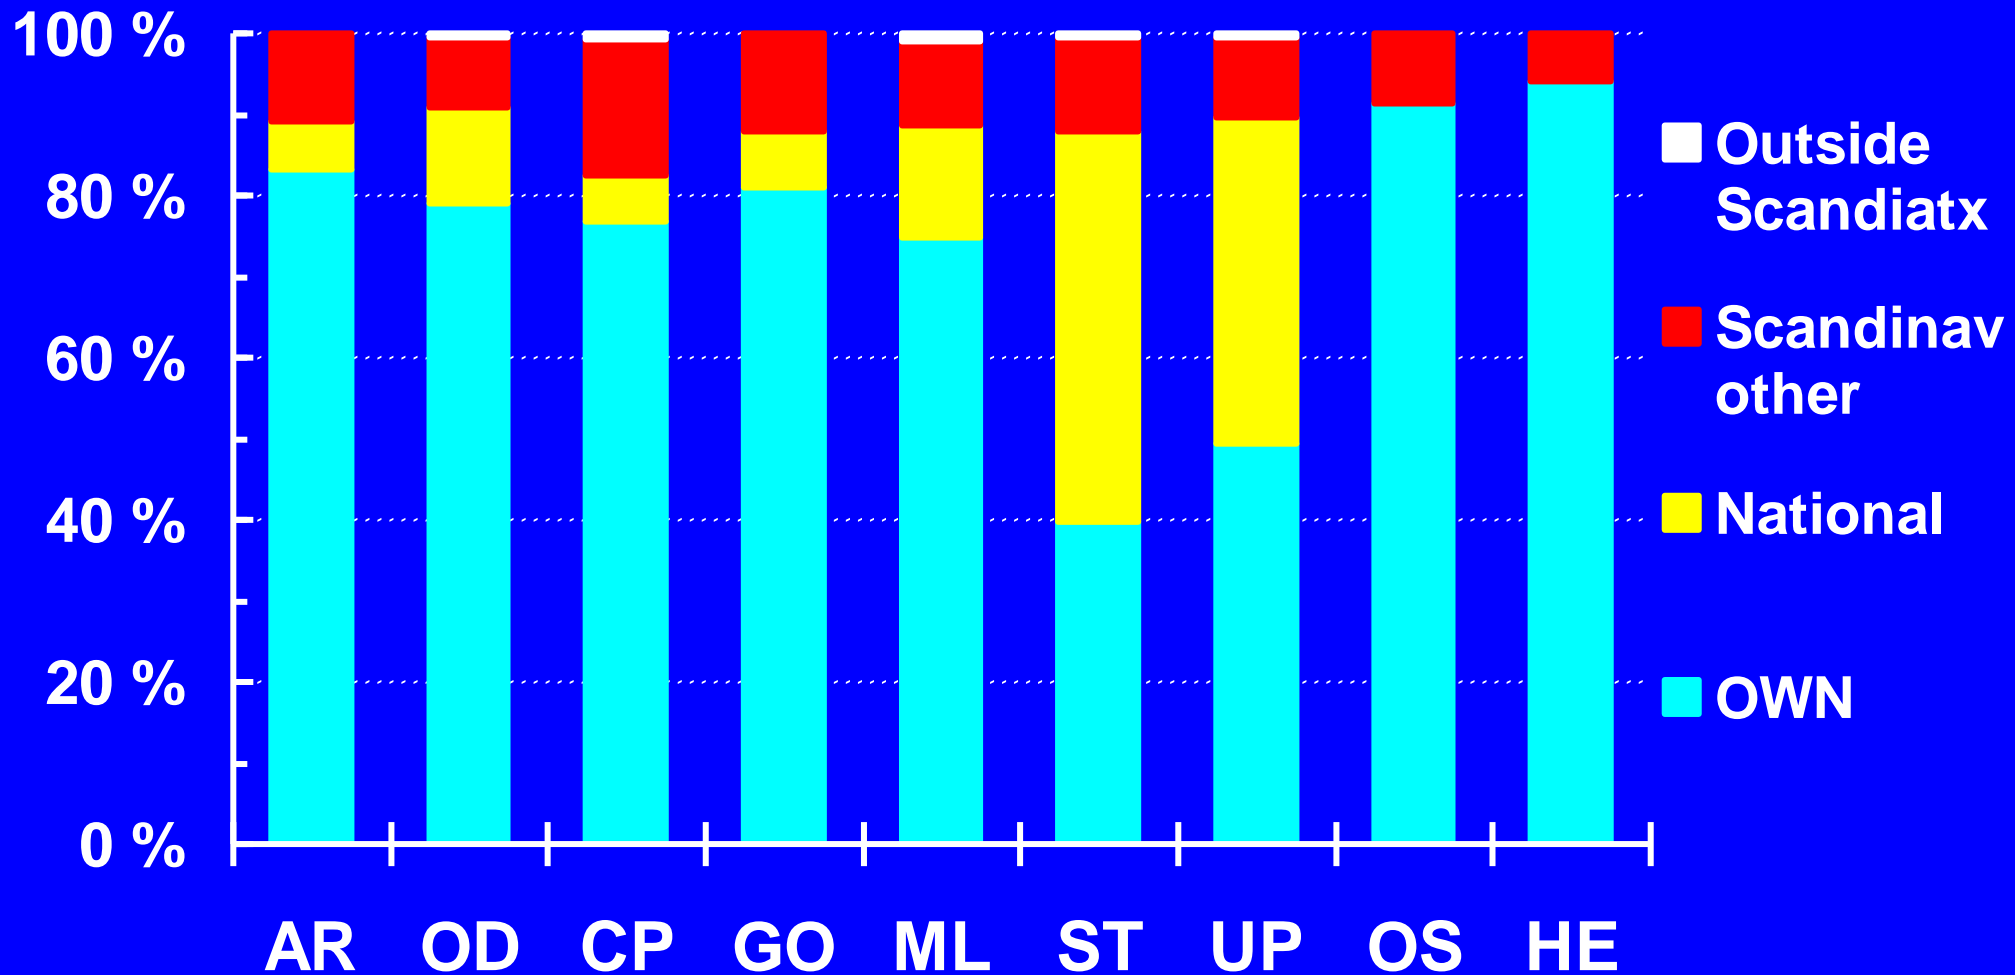

Age of DD-renal grafts

By Scandiatriansplant centre, 1995-2014

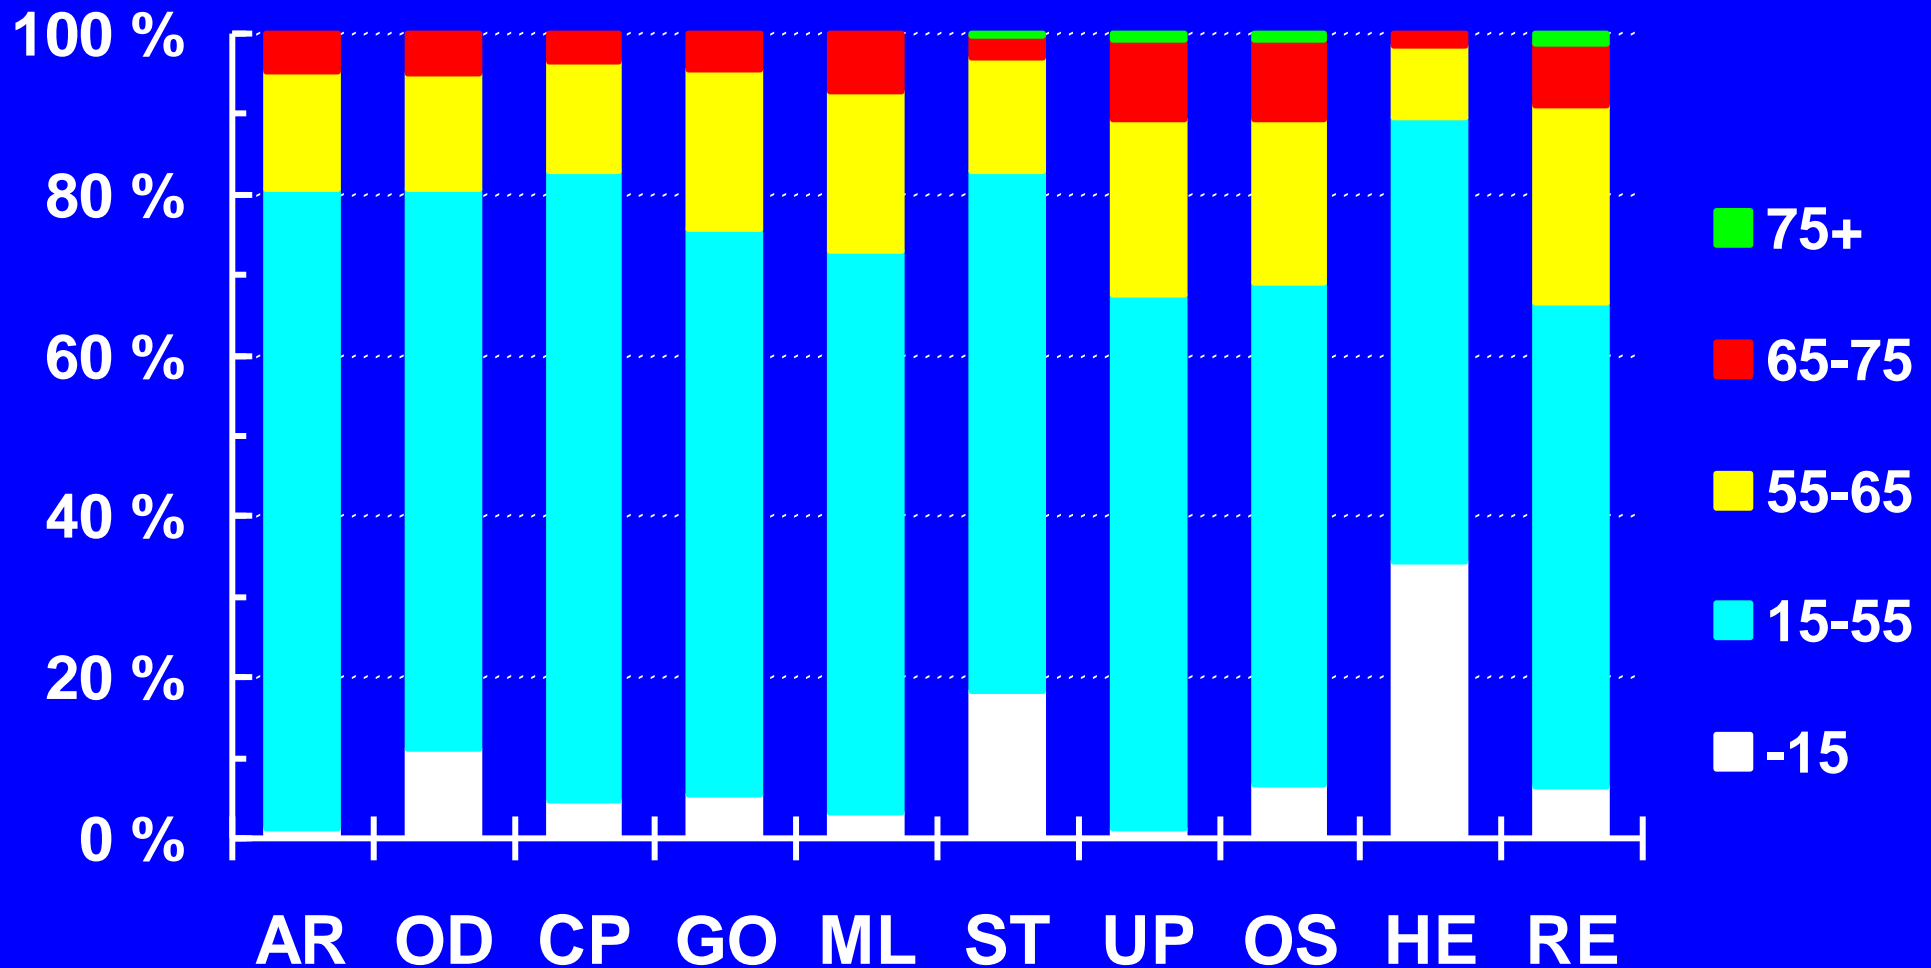

Origin of DD-renal grafts

By Scandiatriansplant centre, 1995-2014

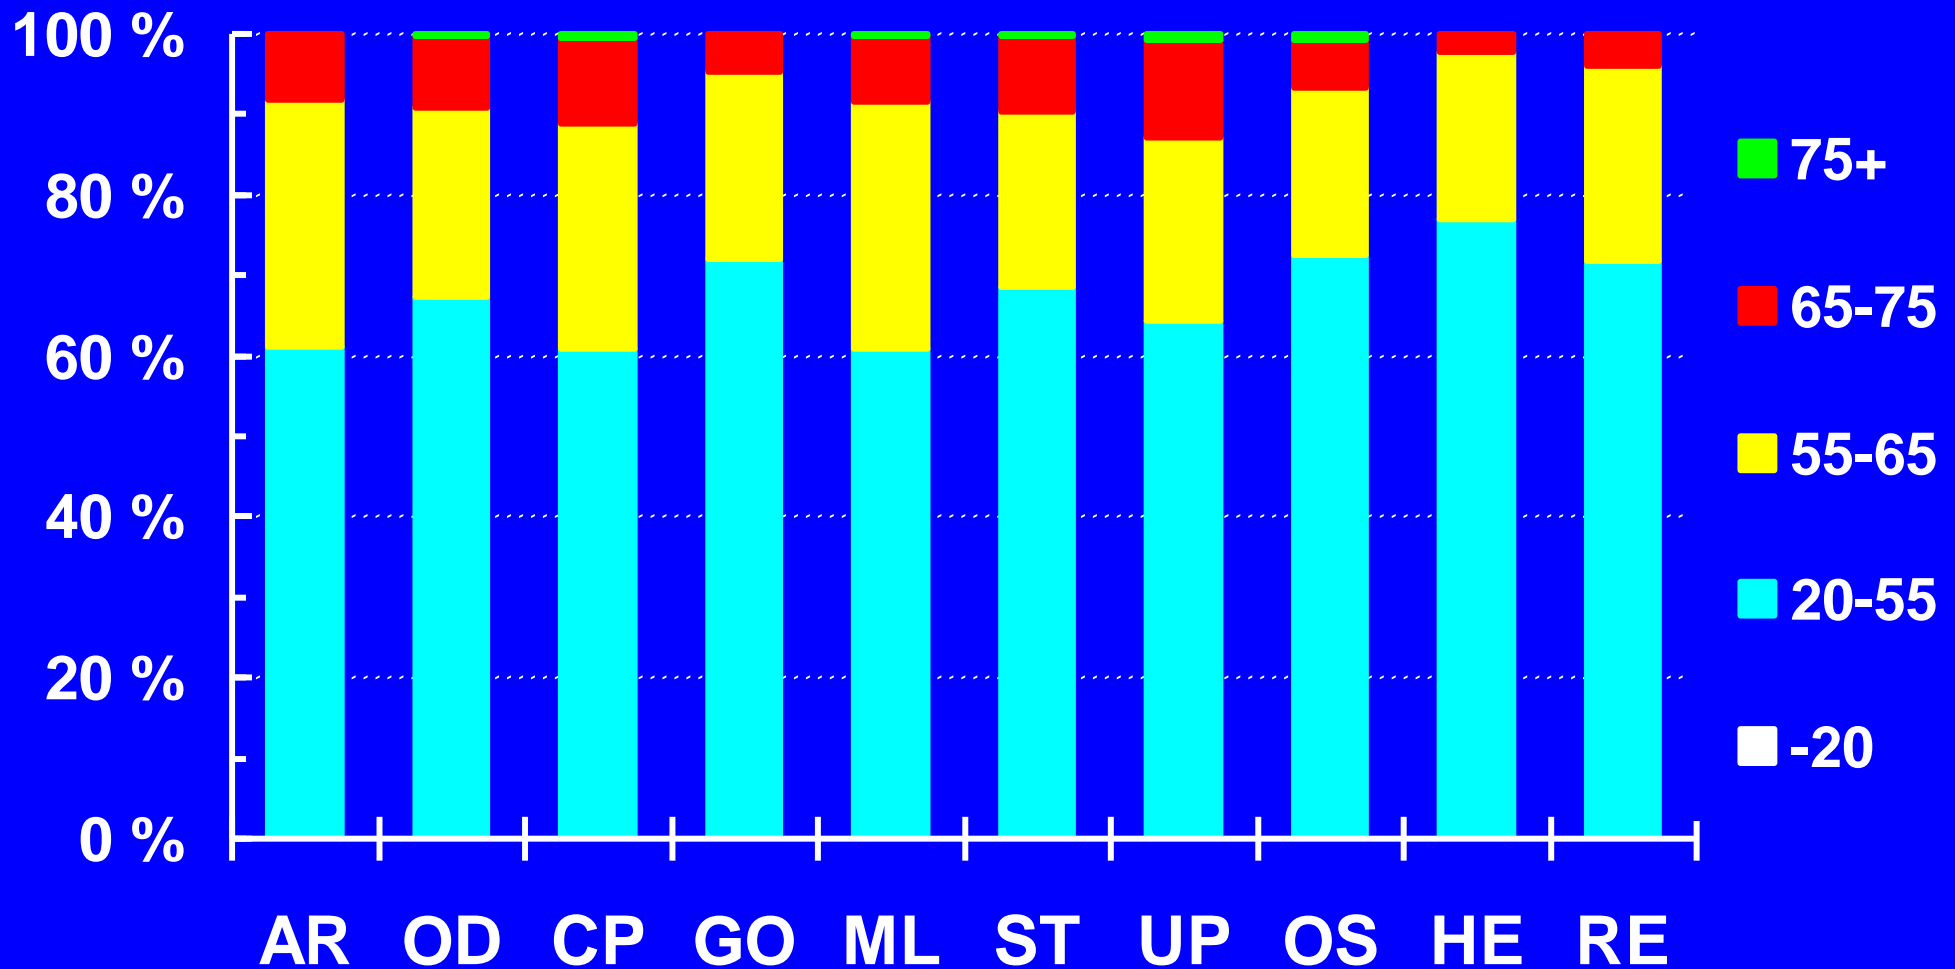

LD-graft recipient age groups

By Scandiatriansplant centre, 1995-2014

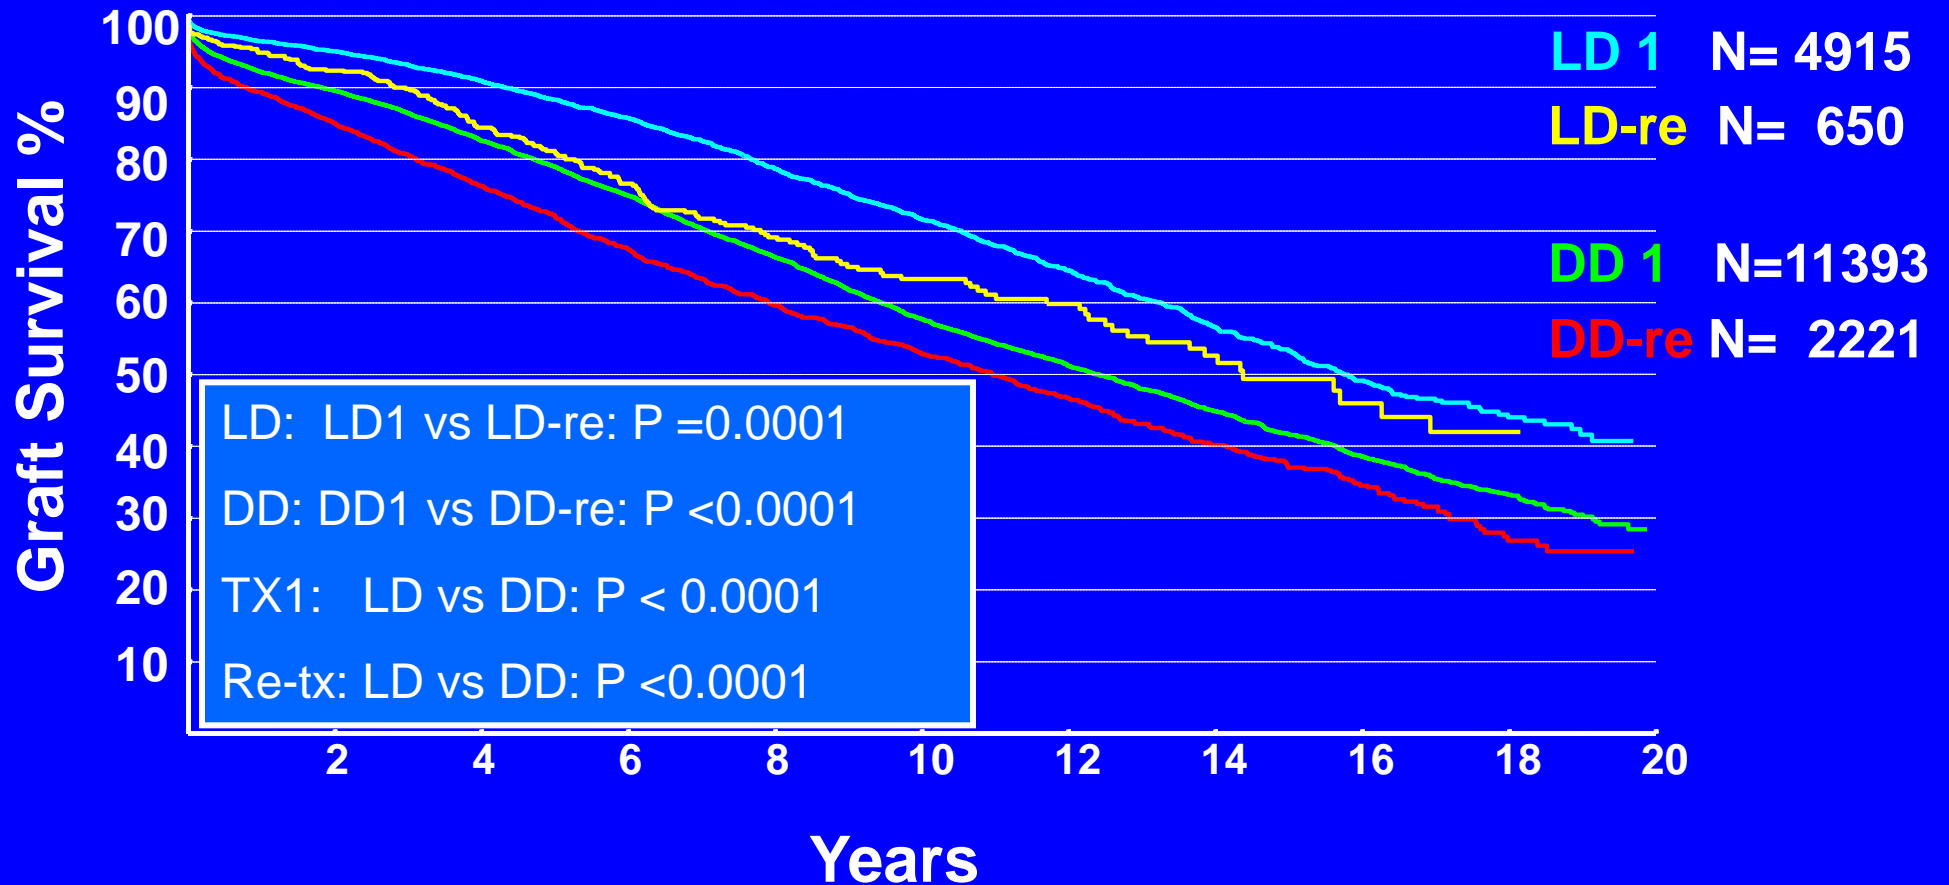

Age of LD-renal grafts

By Scandiatri transplant centre, 1995-2014

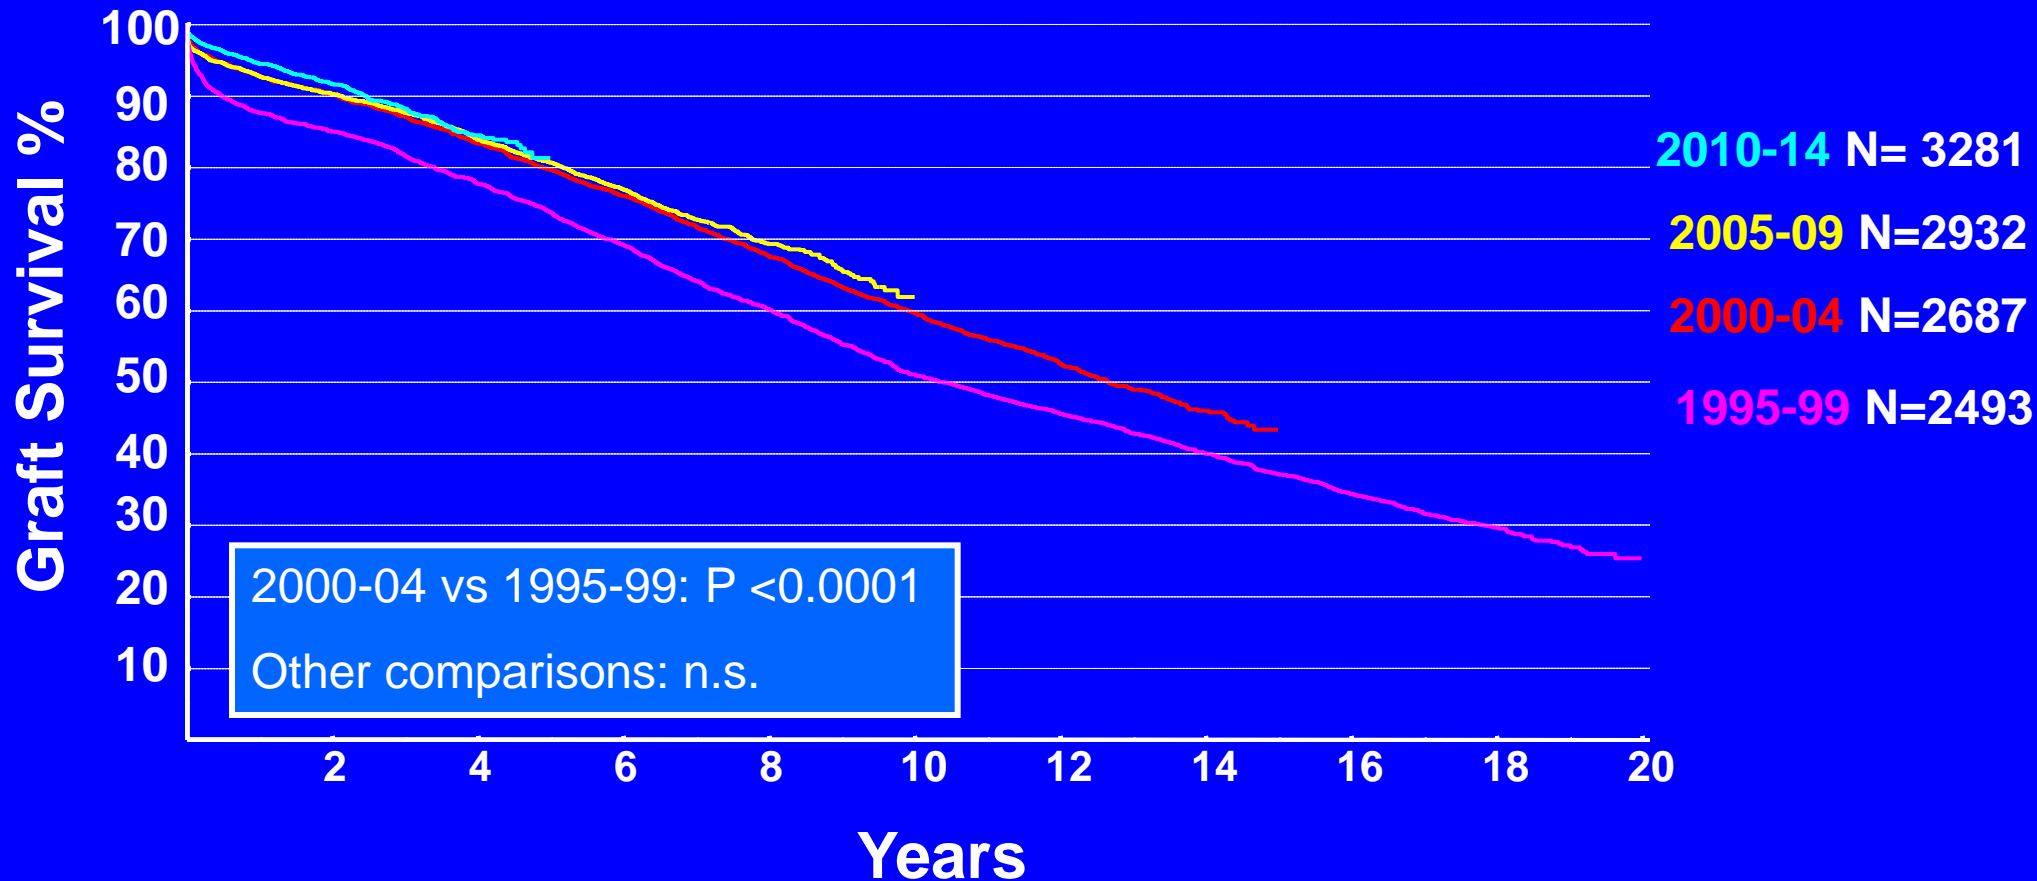

Survival of renal first & later grafts.

By donor source. Scandiatriansplant 1995-2014

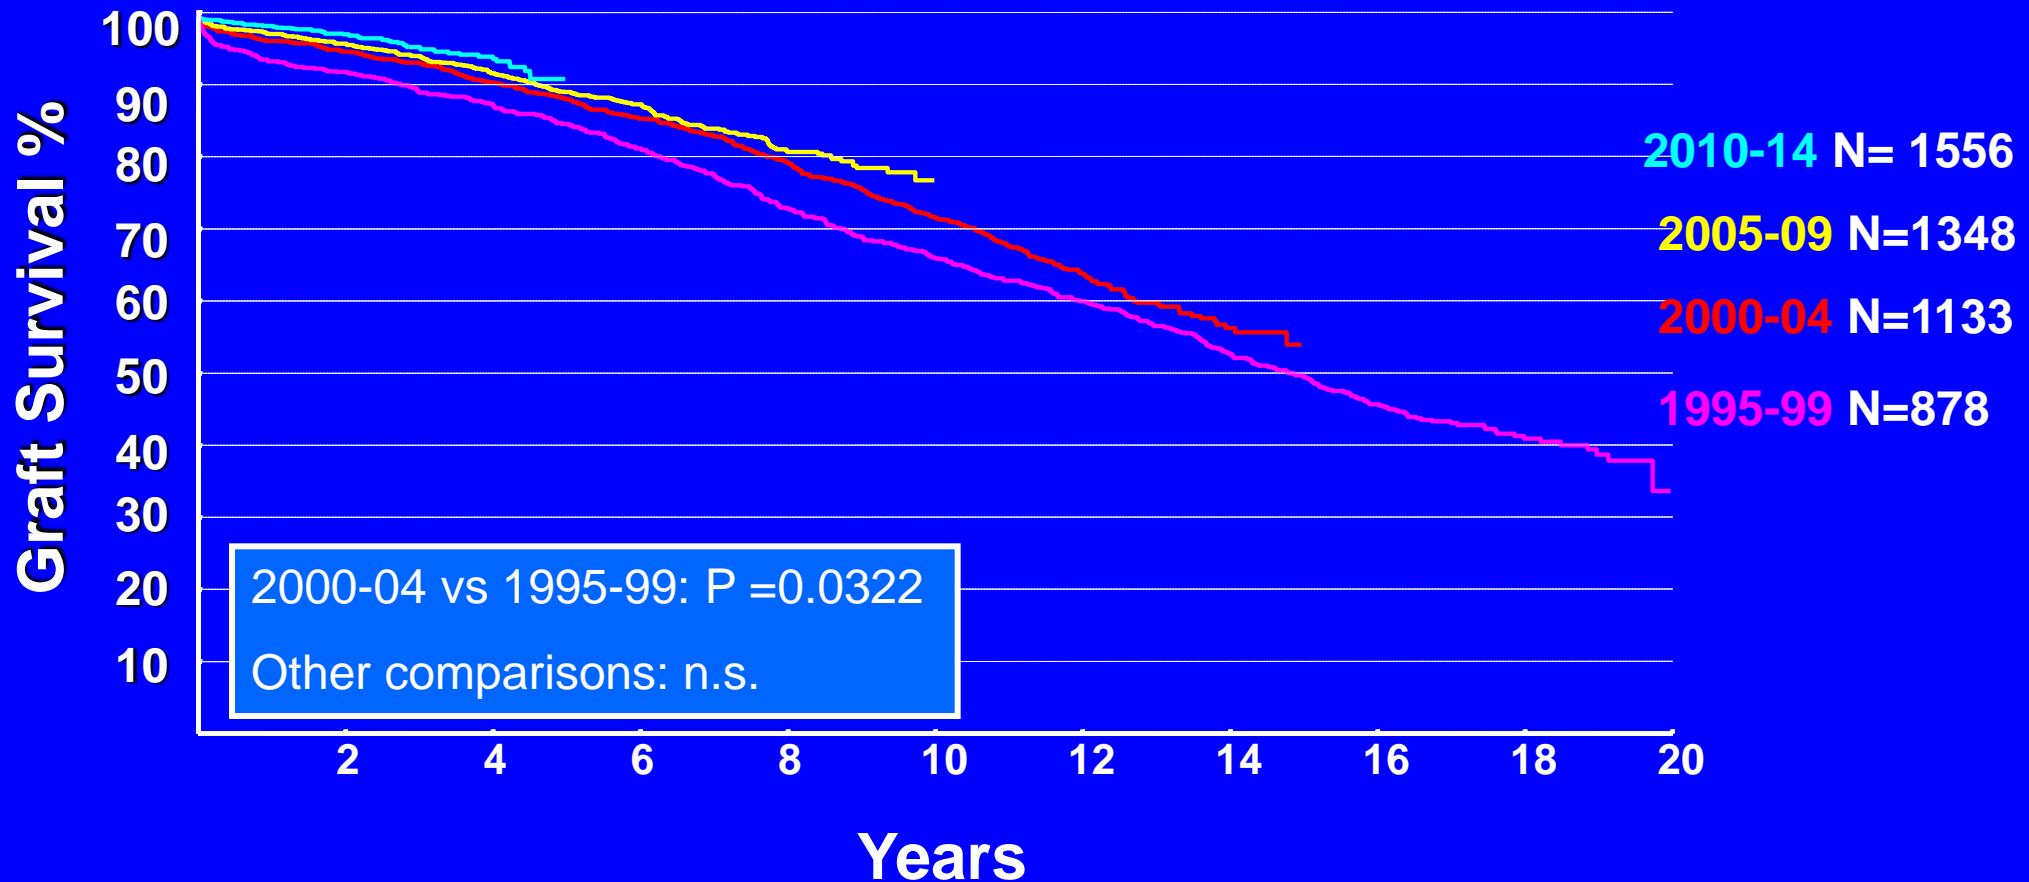

Survival of first renal DD grafts

By period. Scandiatriansplant 1995-2014

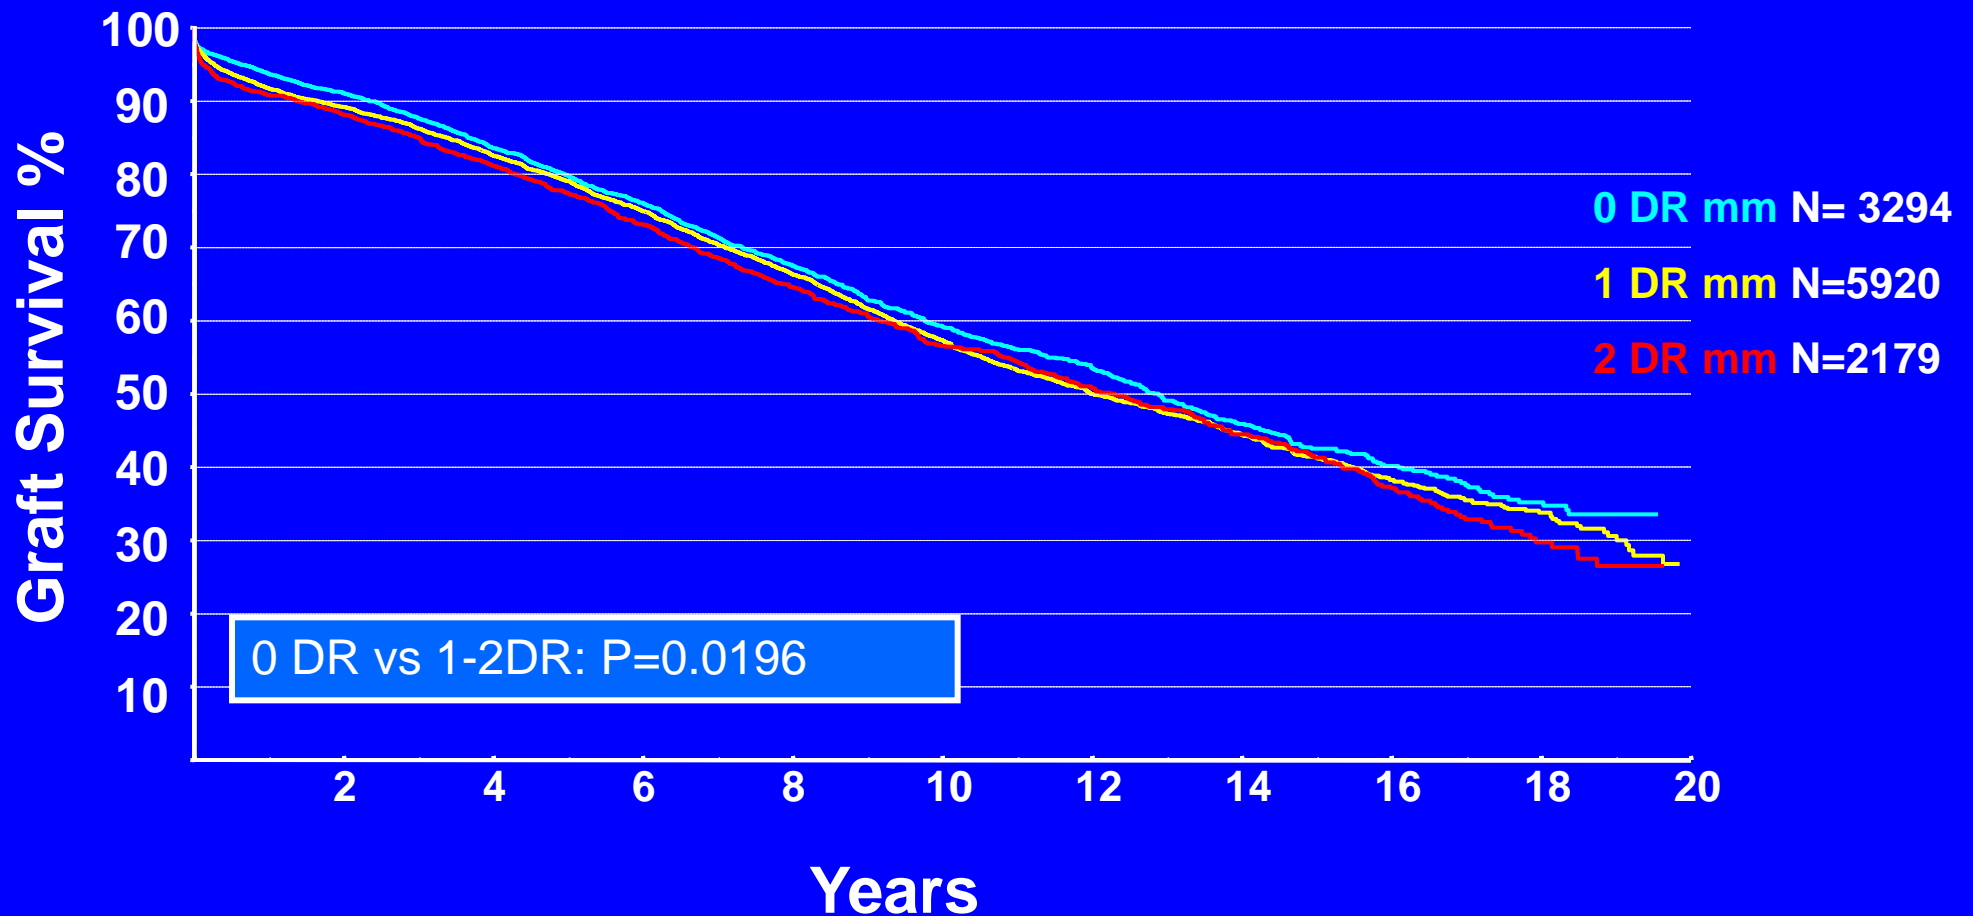

Survival of first renal LD grafts

By period. Scandiatriansplant 1995-2014

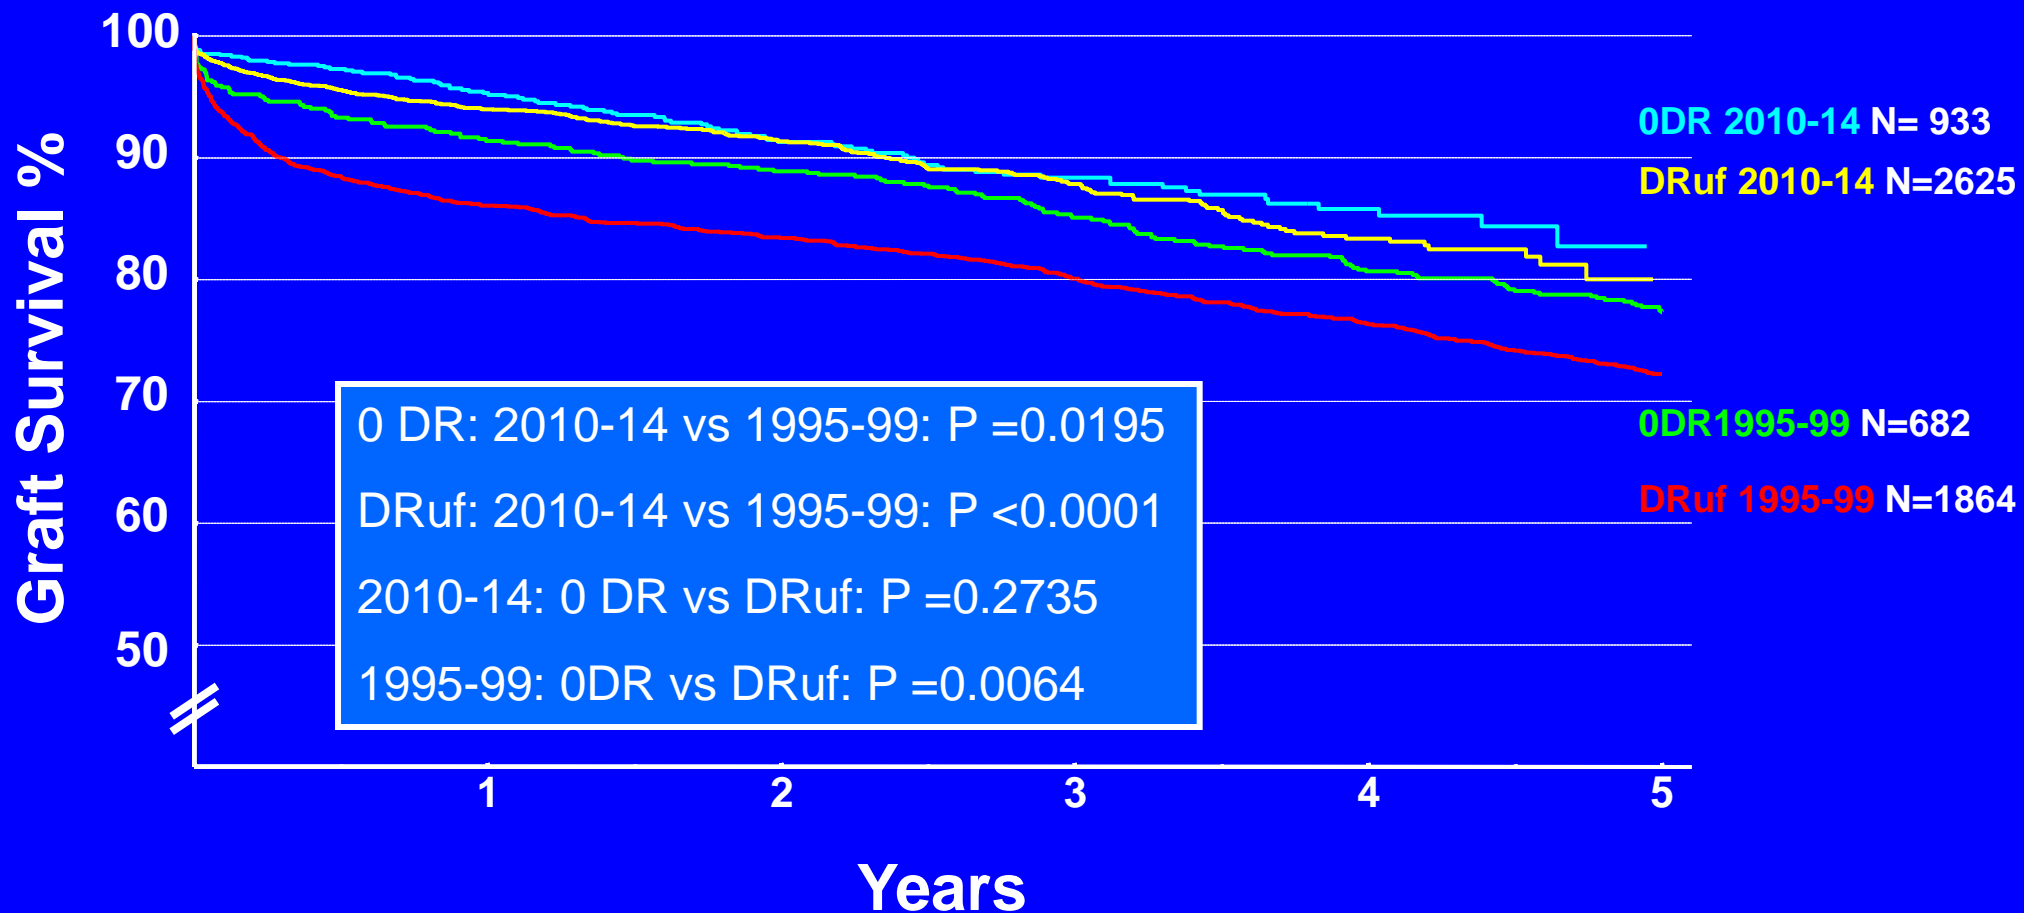

Survival of first renal DD grafts.

By DR mismatch. Scandiatriansplant 1995-2014

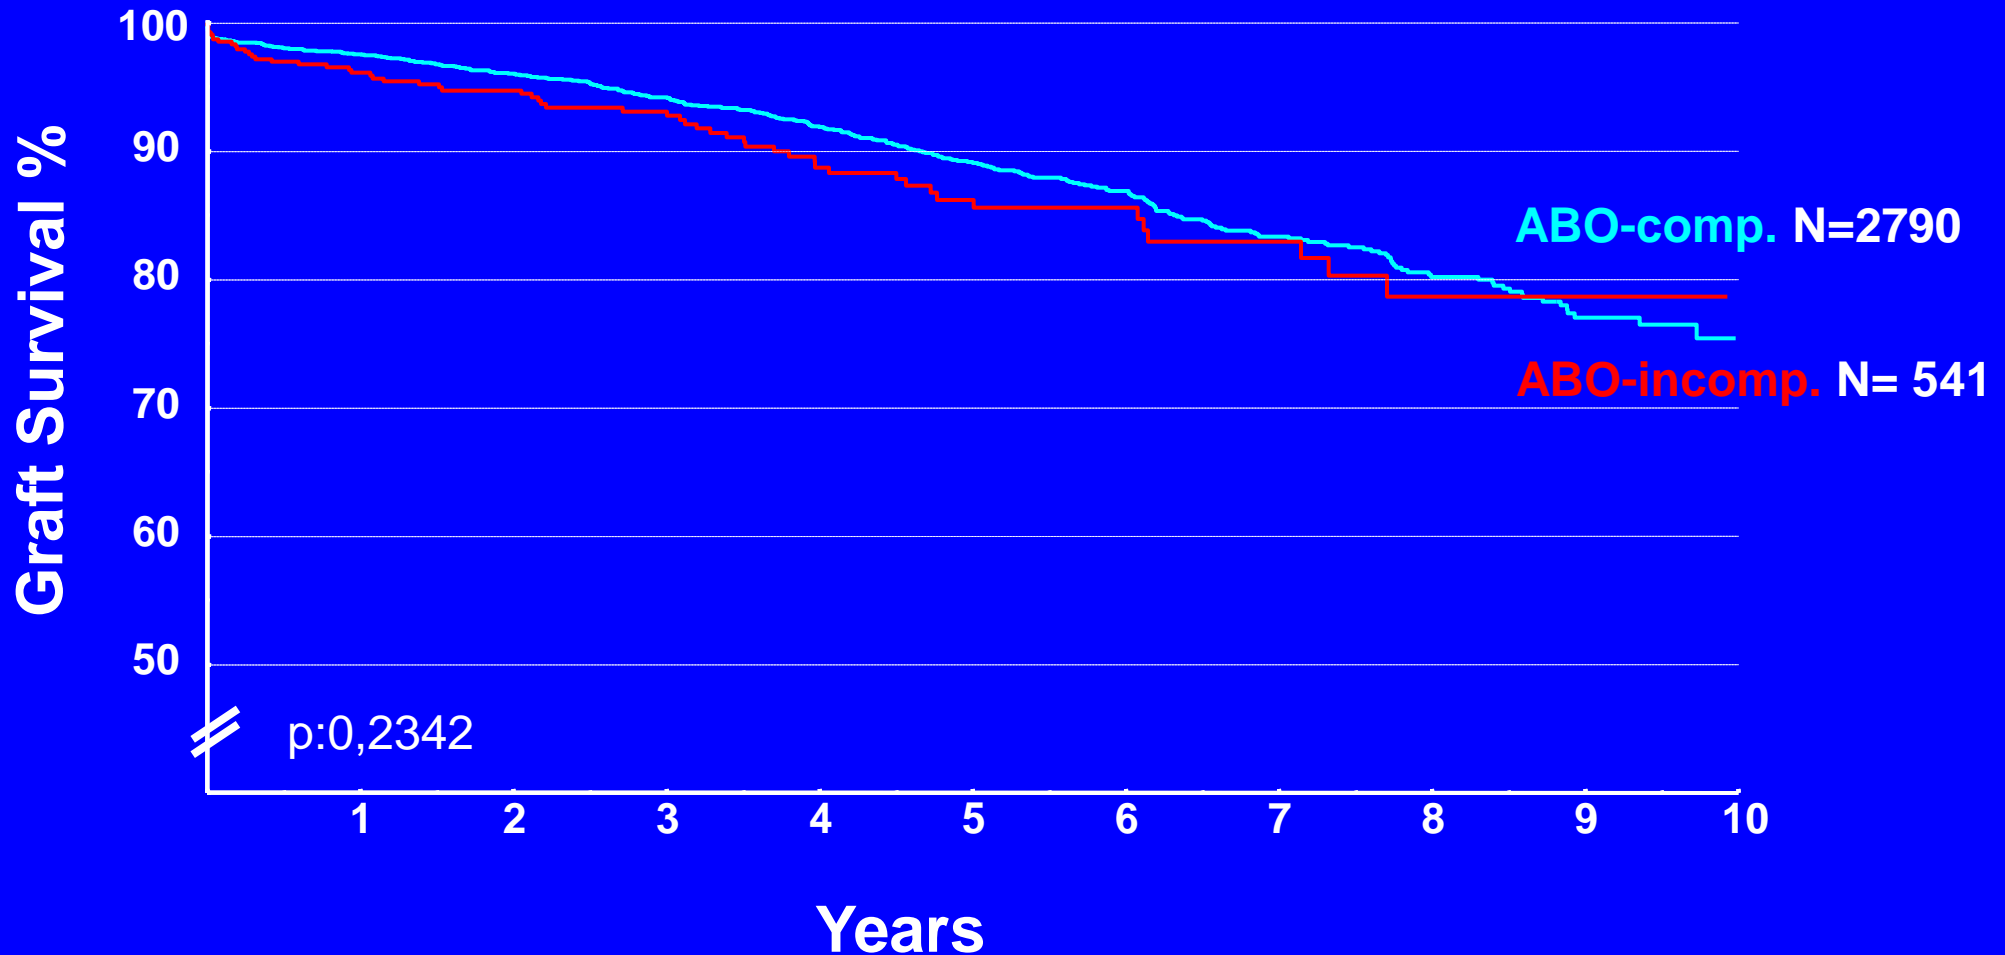

Survival of first renal DD grafts.

By DR match & period: 1995-99 vs. 2010-14

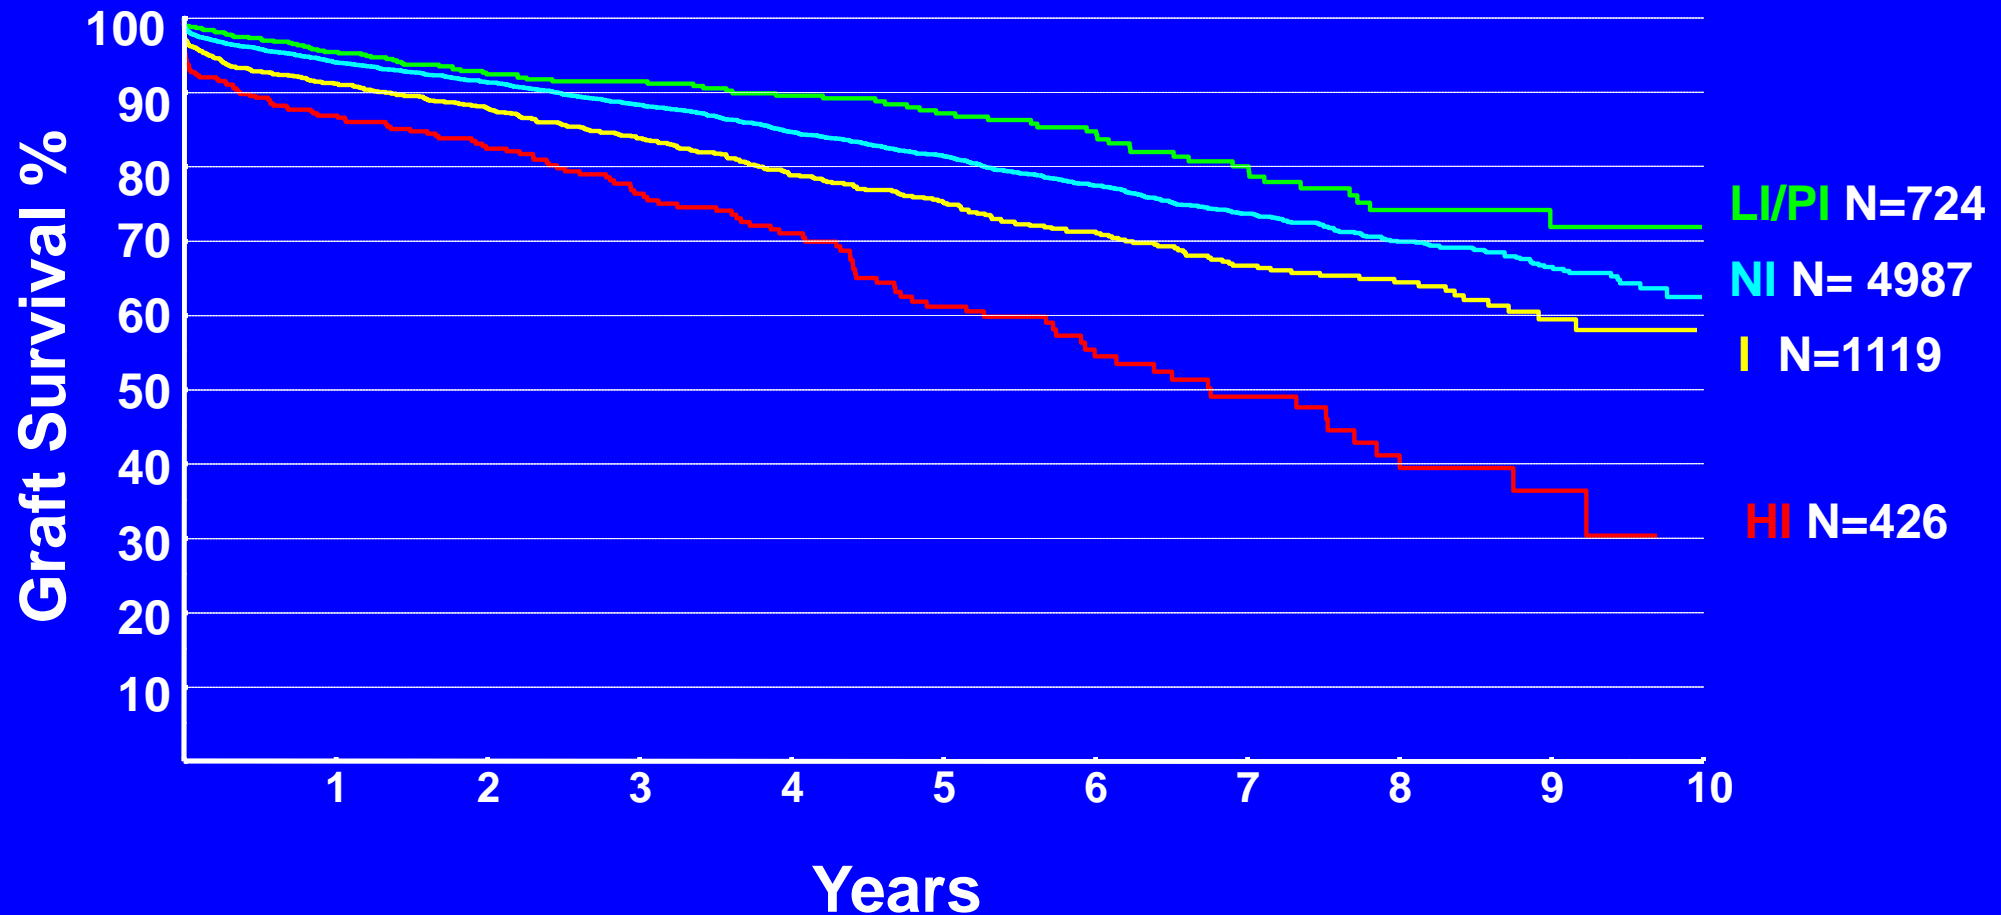

Survival of renal LD grafts.

ABO-incomp vs ABO-comp. Scandiatax 2005-14

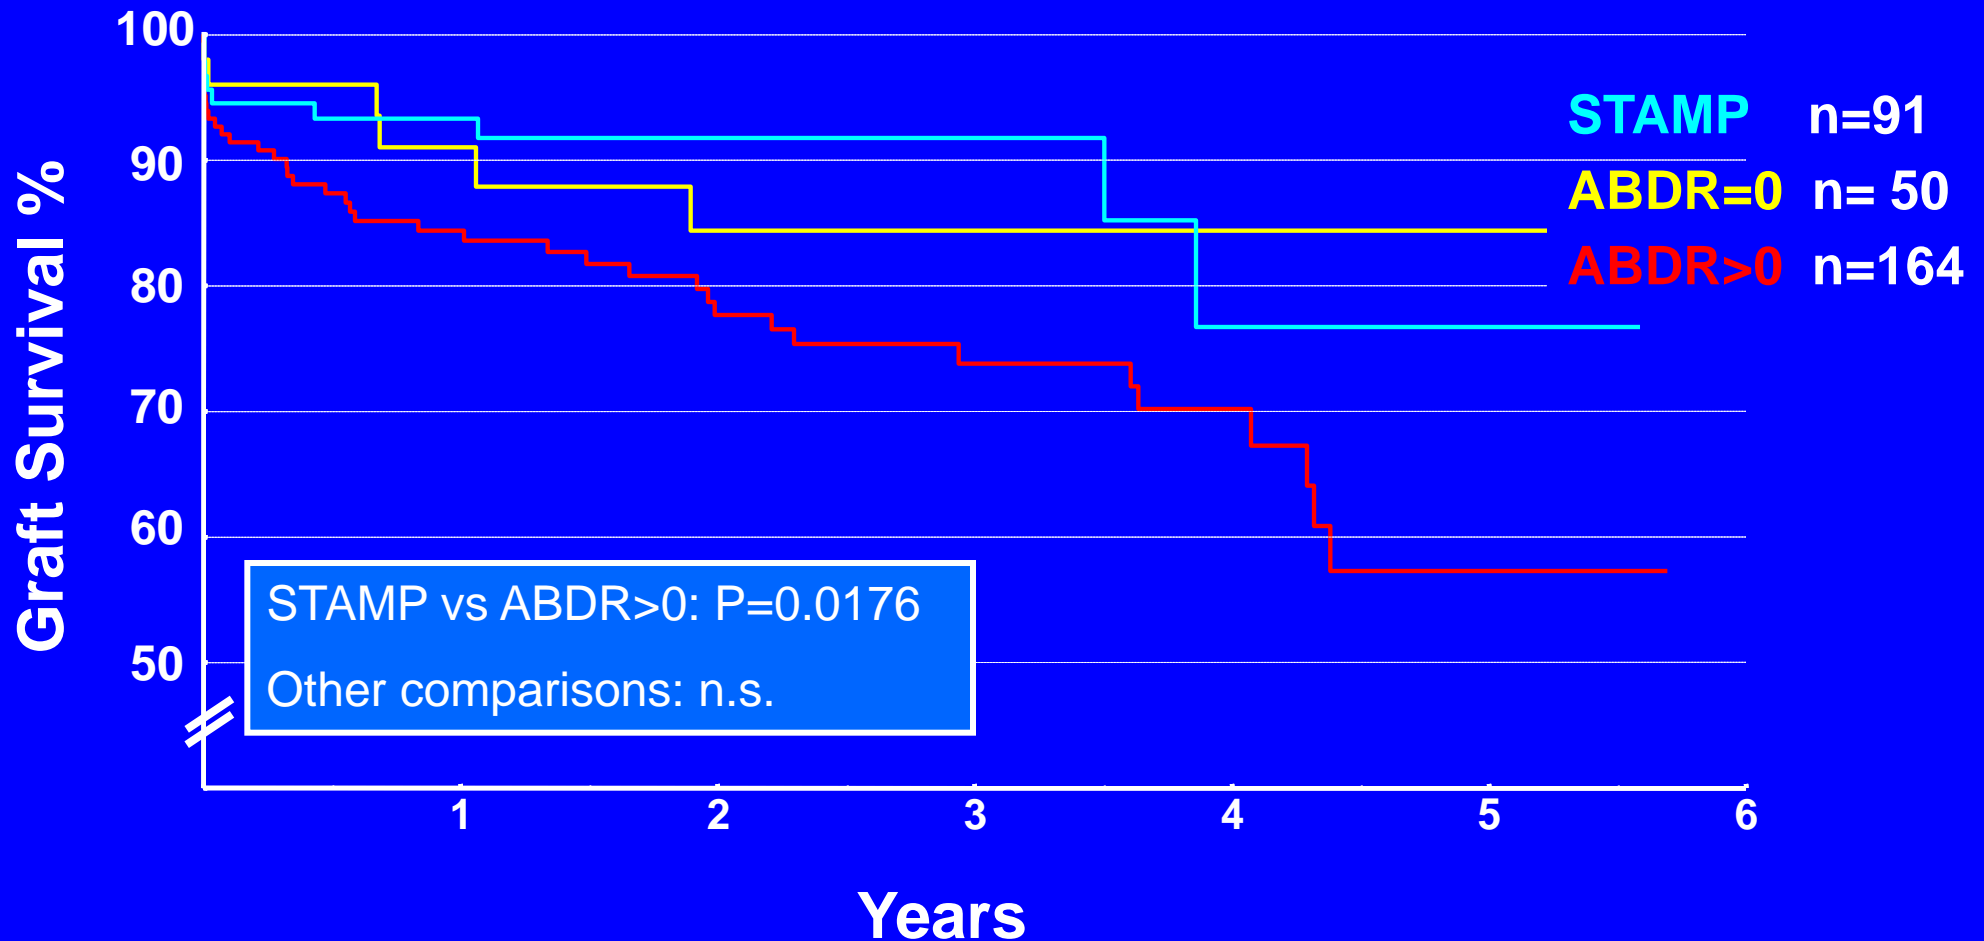

Survival of renal DD grafts

By immunisation status. Scandiatax. 2005-14

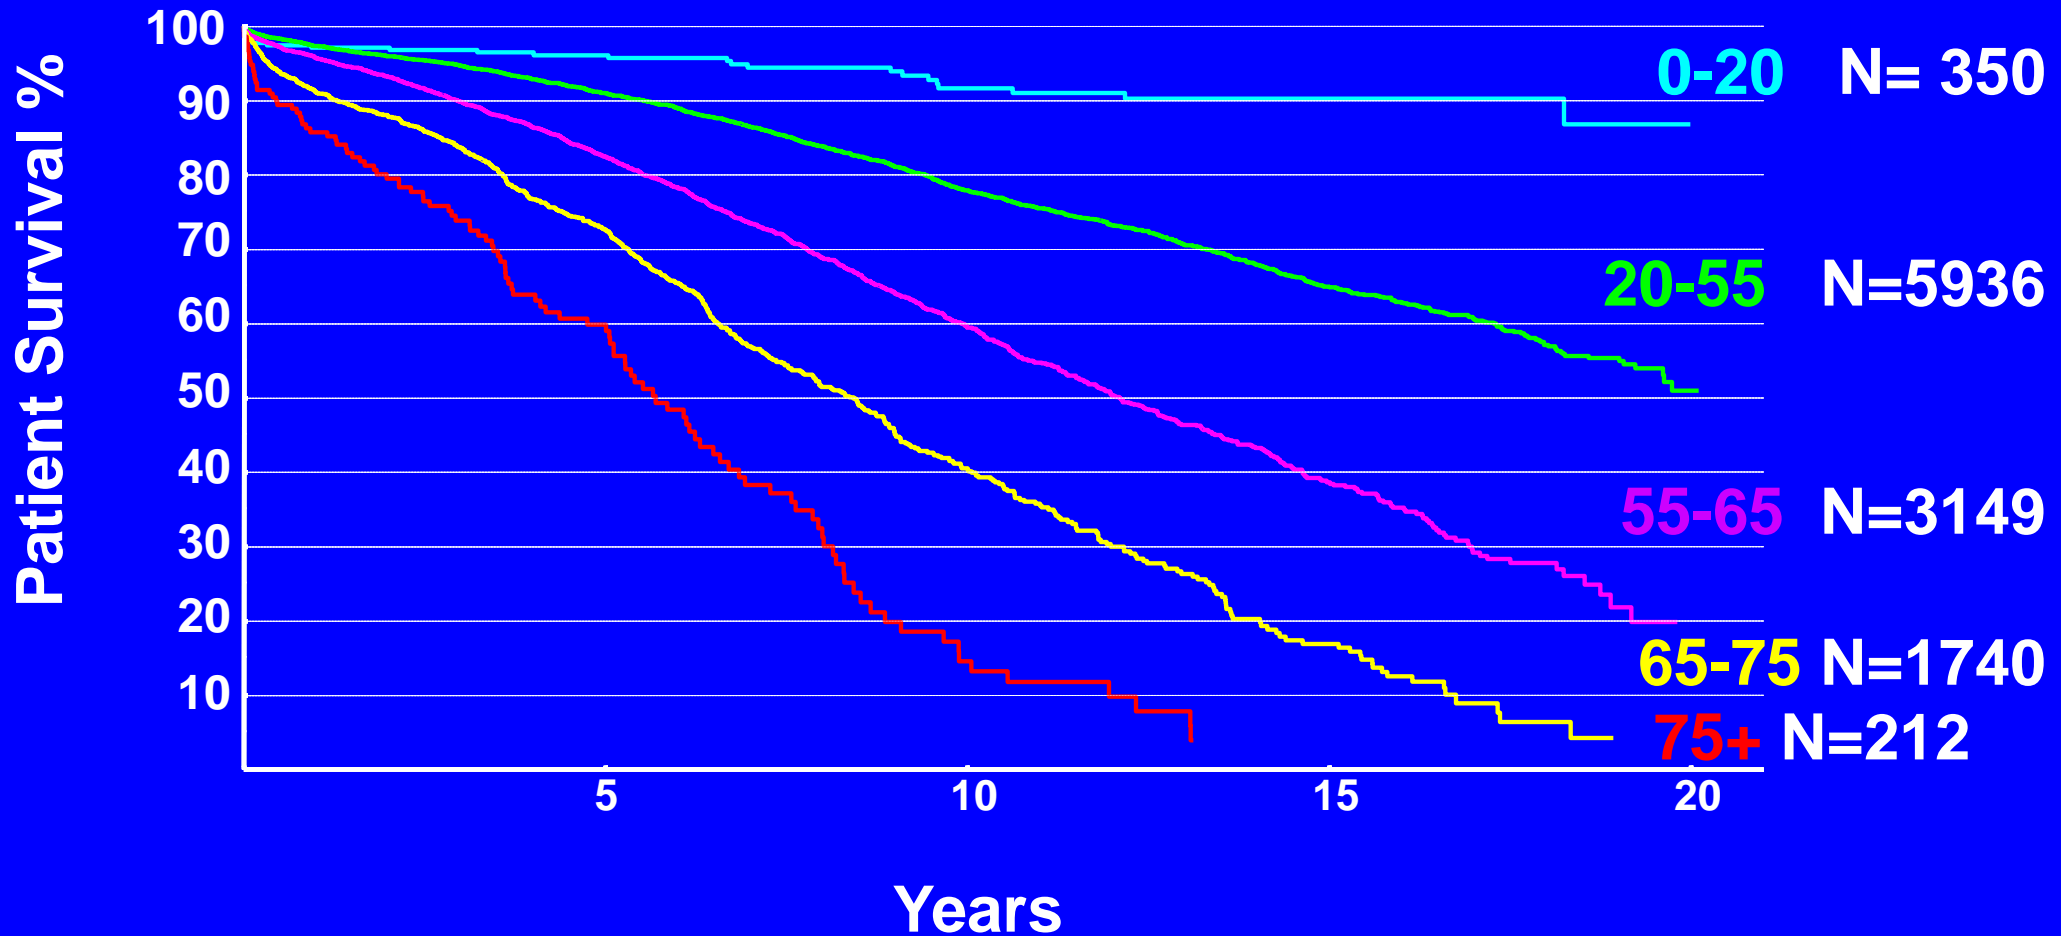

Renal graft survival in HI-patients. STAMP vs ABDRmatch; 2009 - 2014

Patient survival after first renal DD-graft.

By age at tx1. Scandiatriansplant 1995-2014

Patient survival after first renal LD-graft.

By age at tx1. Scandiatriansplant 1995-2014
