

Deceased donor registration/completion/correction

New fields - Past/Pres Drug Abuse and Past/Pres Mal Neopl

Plans for implementing EU directive 2010/25/EU must be ready 27 of August 2012

<http://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=OJ:L:2010:207:0014:0029:EN:PDF>.

Annex – Part A in the directive describes the minimum data set that is required on a deceased donor. In Scandiatransplant only two of these parameters are lacking:

Past or present history of IV drug abuse (Past/Pres Drug Abuse)

Past or present history of malignant neoplasia (Past/Pres Mal Neopl)

These two parameters have been added to the deceased donor screen on page 1 with list of value yes, no, NI.
