The screenshot shows a web browser window with the URL <https://sc37.scandiatransplant.org/sctpTest/>. The page title is "Liver rotation". In the top right corner, there are three buttons: "Back", "Rotate" (circled in red), and "Cancel".

The main content area is divided into two sections:

- Status of list before rotation:** A table with 5 rows. Each row contains a number (1-5), a location name, "Last rotated by:", a user name, and "date:", a date.
- Rotation:** A section with three input fields: "Receiving center:" (dropdown menu), "Cause of rotation:" (dropdown menu), and "Comments:" (text input field).
