

Login to the new Scandiatransplant user interface

Test point: <https://sc40.scandiatransplant.org/sandbox>

The test version is a 'sandbox' with anonymized data, thus you can look around and register what you like without affecting real data. You can use this test version, if you wish to get familiar with the system.

Production: <https://sc40.scandiatransplant.org/isoTopix> or www.scandiatx.org

Real data

Unauthorized ip-address:

If you are using the new user interface from an unknown IP address, you will after trying to log in, receive an email. The email will contain a link that you will have to click on and then you have access to the system.
