law, union agreements, and rules in Central Region, Denmark with help from the HR-department.

5. Council Meeting:

a) Chair of Meeting:

The board went through the agenda together with Helena Isoniemi and discussed who should take each point. The meeting will be held as a virtual meeting on Teams hosted by Arno Nordin in Helsinki. Arno Nordin will bid welcome and lead the meeting through the election of meeting chair, writer of minutes and two controllers. The board suggests Helena Isoniemi as chair of the council meeting and Ilse Weinreich as writer of minutes.

b) Lists of representatives/alternates:

The registration will be done by the chair of the meeting calling up people from the list of representatives/substitutes, and Ilse Weinreich will check those who are present.

c) How to vote:

We will then have a vote on the change in articles in order to be able to accept Tartu as a full member, and thereafter there will be a vote on Tartu membership. If it comes to a more formal vote, the name of each person who can vote will be called up and they will have to state their vote. The board hopes that this will not be necessary.

d) The agenda and who presents each point:

Kaj will go quickly through the minutes of the last meeting in 2020, and Bo-Göran Ericzon will report on the activities since last council meeting. Kaj will go through the accounts and budgets. Kaj will present the suggestion for a working group on Latvia and Lithuania. It will be suggested that there will be two council meetings in 2022, a short virtual meeting primarily on the finances in May and then a face-to-face meeting in connection with the STS 2022 in Iceland August/September 2022.

6. Any other business:

Bo-Göran will be leaving as chairman of the board in 2022, so he wanted to start the discussion on who should be the next chairman of Scandiatransplant. He encouraged people to tell him if there were good candidates. It has been said that there was informal rule that a chairman could not come from Denmark because the medical director is from Denmark. It was clear that the board means that there should not be such a rule. Sweden has now had a chairman three times, so Bo-Göran meant that it should be a person from another country.

 Next meeting (September 27th and 28th, 2021 in Stockholm?): We still hope to have a face to face meeting in Stockholm September 27th in connection with Nordic Transplant Committee meeting September 28th.
