

Research Grant Report Form

Name and origin of applicants

Principal investigator:

Helena Isoniemi M.D, Ph.D

Head of Transplantation and Liver Surgery Clinic

Helsinki University Hospital, Transplantation and liver surgery clinic

Helena.isoniemi@hus.fi

Co-investigators:

Fredrik Åberg, MD, PhD

HUS Maria hospital - fredrik.berg@helsinki.fi

Aksel Foss, prof

Oslo Univ.Hospital - afoss@ous-hf.no

Bo-Göran Ericzon, prof

Karolinska Univ.Hosp. - bo-goran.ericzon@ki.se

Michael Olausson, prof

Sahlgrenska Univ.Hospital - michael.olausson@surgery.gu.se

William Bennet MD, PhD

Sahlgrenska Univ.Hospital - william.bennet@vgregion.se

Allan Rasmussen MD, PhD

Rigshospitalet Cph. - allan.rasmussen@dadlnet.dk

Tom Hemming Karlsson, prof

Oslo Univ.Hospital - t.h.karlsen@medisin.uio.no

Mika Gisler

expert from NOMESCO - mika.gissler@thl.fi

Purpose granted

Life expectancy after liver transplantation: Survival gap and premature death after liver transplantation – a Nordic population-based study

Amount granted

€ 20,000

Report of scientific progress

This grant produced a publication in Hepatology ; Åberg F, Gissler M, Karlsen TH, Ericzon BG, Foss A, Rasmussen A, Bennet W, Olausson M, Line PD, Nordin A, Bergquist A, Boberg KM, Castedal M, Pedersen CR, Isoniemi H Differences in long-term survival among liver transplant recipients and the general population: A population-based nordic study. Hepatology. 2015 Feb;61(2):668-77

In the publication it is included: *The study received research grants from Scandiatransplant.*

Report of financial balance

The grant has been used for publication expenses, congress expenses to present this study in AASLD, statistician, for Fredrik Åbergs salary when free from hospital work for this etc.

Helsinki 23rd February, 2015 Helena Isoniemi
